*A man wakes up in the hospital bandaged from head to foot. The doctor comes in and says, "Ah, I see you've regained consciousness. Now you probably won't remember, but you were in a huge pile-up on the freeway. You're going to be OK, you'll walk again and everything, but your penis was severed in the accident and we couldn't find it."*

*The man groans, but the doctor goes on,*

*"You've got \$9000 in insurance compensation coming and we now have the technology to build a new penis. They work great but they don't come cheap. It's roughly \$1000 an inch."*

*The man perks up.*

*"So," the doctor says, "You must decide how many inches you want. But I understand that you have been married for over thirty years and this is something you should discuss with your wife. If you had a five incher before and get a nine incher now she might be a bit put out. If you had a nine incher before and you decide to only invest in a five incher now, she might be disappointed. It's important that she plays a role in helping you make a decision."*

*The man agrees to talk it over with his wife. The doctor comes back the next day,*

*"So, have you spoken with your wife?"*

*"Yes I have," says the man.*

*"And has she helped you make a decision?"*

*"Yes" says the man.*

*"What is your decision?" asks the doctor.*

*"We're getting granite bench tops in the kitchen"*

*Joke submitted by Cathy*

**A little boy wanted \$100.00 very badly and prayed for weeks, but nothing happened. Then he decided to write God a letter requesting the \$100.00. When the postal authorities received the letter addressed to God, Australia they decided to send it to Julia Gillard. Gillard was so amused that she instructed her secretary to send the little boy a \$5.00 bill. She thought this would appear to be a lot of money to a little boy. The little boy was delighted with the \$5.00 bill and sat down to write a thank-you note to God, which read: **Dear God: Thank you very much for sending the money. However, I noticed that for some reason you sent it through Canberra and those assholes took \$95.00 in taxes.****

### From the Webmaster:

As Kerri mentioned on Page 2, the Club now has a web site which I believe will be an excellent medium by which to disseminate information for and about the Club, therefore I encourage members to use the site and to let others know of its existence.

I am keen to set-up the Members' Cars Section and therefore I am seeking pictures of individual's cars. So please shoot them down the line to me and in hi-res if possible. Please do not crop your pics and do not obliterate the rego plate. Please let me do this. Although I prefer to see the rego plates in tact, I also respect the wishes of those who prefer not to have their rego numbers broadcast. Do not forget to include the make and model, year of manufacture, colour

and any other information you would like to include. Lance.
