Club Member Supporting Endeavour Rally

In July 2012, the Caboolture Regional Car Club donated funds to the Endeavour Foundation in support of Club member Bruce Hartshorn's entry in the Super Endeavour car rally. A great rally in which Bruce said he had fun. Recently on Win TV, the rally featured Bruce and his V8 Torana several times which is great since over fifty cars rallied. "Yes" said Bruce, "we did finish after travelling from Charleville to Mataranka then Nhulunbuy in the Northern Territory and back to Karumba to the finish line in Yeppoon." "Now I am rebuilding the Torana from the ground up after a broken exhaust, shockers not functioning and water in headlights etc."

A photo shows Bruce and his Torana crossing Gwyder River which is reputed to have crocs but this is extreme and regular rally's are not as challenging but they were never intended to be easy.

This year's rally, which is from 13-20 July, goes from Caloundra to Port Douglas. If anyone is after adventure then it could be for you. Bruce is happy to share a DVD with anyone who is interested as well as brochures giving full details.

"Thanks to the club for the support in 2012. I am on-track for the NSW rally in October from Penrith to Bathurst via Camerons Corner if I get moving on the rebuild."

Bruce Hartshorn.

Go the Toranas. 'When You're Hot You're Hot'

A note from Ron Ahl (65EFY) who is now working in Victoria I've been here in Melbourne for about two weeks now, and GOD DAMN it's cold. Send me down a few degrees please. My immediate boss in a member of the Macedon Ranges & Districts Motor club and upon hearing about my old truck, invited me along to the meeting last night (Wednesday). Fair dinkum, it was cold, drizzled rain and the club rooms, (they have their own) are miles away. I thought, "how many are going to be here tonight?" Well, I got a shock. About 100 of the 300 or so total membership came along. Nothing special about the night, just a normal general meeting. They have approx 590 cars amongst the membership. Mostly Aussie and Yank classics with a few British cars just to keep them classy, so they tell me. The club rooms have a kitchen etc., then the main hall, about 40ft x 100ft or so. Recently added with access to the main club area through a large two-panel sliding door, (20ft or so) is a workshop area with 4 post hoist, compressor, bench etc etc. Tools are coming. Keep cruz'in, Ron.

Minutes of the General Meeting of 3rd April 2013

5. Moved Liz Harris seconded Lance Haslewood that the minutes of the general meeting of Wednesday 3rd April 2013 as published in the April Newsletter be accepted as true and accurate record of the meeting.

Business Arising from the Previous Minutes

6. Donation to 'Friends of the Street'. This item is to ratify a donation of \$2,500.00 made to the 'Friends of the Street' charity details of which was omitted from the April Minutes. At the April General Meeting, Kevin Lewis proposed that consideration be given to donating a sum of money to 'Friends of the Street', a worthy Morayfield charity which caters for the under-privileged and homeless. Kevin said that the organisation's vehicle which was extensively used in exercising its charity work was in dire need of urgent mechanical repairs and that the charity lacked the funds to carry-out the repairs. Kevin sought a quote for the repair and requested that a sum of \$2,500.00 be donated by the Club. Although it was decided that more information was needed as to the repairs and cost, a misunderstanding resulted and a cheque was drawn.

7. Kevin said that several service providers in the Morayfield area were very considerate in providing discounts in association with the repairs to the vehicle and that 'Friends of the Street' were very grateful for what Kevin and CRCC had done.

Carried.

6. Purchase of BBQ for 'Friends of the Street'. Kevin Lewis proposed that CRCC donate funds for the purchase of a BBQ for 'Friends of the Street' as it would be beneficial to its charity work. Kevin said that he was able to buy a \$800 BBQ at a reduced price of \$600. Proposed Kevin Lewis and seconded Lloyd Thies that an amount of \$600.00 be made available for the purchase of the BBQ for 'Friends of the Street'.

Car-

7. Donation to the Australian Defence Force 'Pedal for Prostate'. At the April General Meeting, Dar-

ryl Harris advised of the Australian Defence Force's 'Pedal for Prostate' event whose aim was to raise funds for prostate cancer research. He suggested that this event would be worthy of a donation from the Club. It was decided that a decision to donate to this organisation be carried-over to the May General Meeting.

8. Following further discussion at the May meeting, it was decided that, although donating for research into prostate cancer was a worthy cause, CRCC members preferred to focus its donations to local charities only.

Carried.

9. Club Stickers. Lance picked-up the new Club decals from Print Arana at Arana Hills. The stickers look impressive and are UV resistant. The President authorised the issue of a free sticker to those present at the meeting. Those existing members who were not at the meeting and missed-out can acquire a sticker at the June meeting. Those with more than one car are urged to 'negotiate'!

Carried.

10. Show 'N Shine and Swap Meet. Refer General Business.

Correspondence

11. The Secretary presented the inwards correspondence for the months of April 2013. There was no outwards correspondence. Moved Liz Harris and seconded Lance Haslewood that the inwards correspondence be endorsed.

Treasurer's Financial Balance of Account

12. The Treasurer presented the financial statement for the month of April 2013. Moved Col Jurkiewicz and seconded Dennis Seidel that the statement as presented be accepted and that the monthly accounts be accepted for payment.

Carried.

General Business

15. Vehicle Departure. Vehicles wanting to depart the event early have to be escorted out.

16. Club Membership. Due 30 June. Renewal form required. Lance said that membership cards will have newsletter log-in details on the riverside side.

17. Donation to 'Walk With Cancer'. This item is to ratify a donation of \$500.00 made to the 'Walk for Cancer' charity as sanctioned at the April General Meeting but omitted from the Minutes. Moved Kevin Lewis and seconded Cathy Kuhrt that an amount of \$500.00 be donated to the 'Walk for Cancer'. Local resident, Myra Thompson completed the walk for this charity.

Carried.

22. Combined CRCC/QTCC Run, Sunday 25 August. Lance suggested that as a token of appreciation for the Queensland Torana Club sponsoring two Lakeside track events, that CRCC should host a joint run (BBQ). Run probably to the Mount Mee State Forest Reserve. Lance to organise.

Carried.

21. Apology from the Secretary. I wish to record in the Minutes my most sincere apology for omitting some information from the April Minutes. It is not always easy to hear what is going-on and to record the facts accurately, however I do try to do the best I can.

Meeting Closure

22. There being no further business, the president declared the meeting closed at 9:10 pm.

Joke of the week from Cyril ... A couple have not been getting along for years, so the husband thinks: "I'll buy my wife a cemetery plot for her birthday." Well you can imagine her surprise and disappointment. The next year her birthday rolls around again and this time he doesn't get her anything. She asks: "Why didn't you get me a birthday present?" He replies: "You didn't use the one I gave you last year!"

SIV Support to Schools, Charities and the Community – Policy Guidance**BACKGROUND**

Over the last several years, Queensland Historic Motoring Council (QHMC) has been approached by affiliated clubs for interpretation of the Special Interest Vehicle registration (SIV) arrangements guidelines in relation to the use of SIV-registered vehicles in support of schools conducting formals and similar events. Recently, a couple of our clubs bypassed the QHMC committee and sought their own guidance direct from DTMR. The results have been less than encouraging to those clubs.

INTERPRETATION AND CLARIFICATION OF EXISTING GUIDELINES

QHMC consulted DTMR at its quarterly liaison meeting and came away with an agreed interpretation as explained below relating to SIV Support to Schools, Charities and the Community – non relative (does not alter the existing SIV guideline in relation to ceremonies for immediate family).

Clubs and members must abide by the following detailed guidelines to SIV Support to Schools and Charities:

- Event must be recorded and promoted through the car club newsletter.
- No direct payment to the SIVS vehicle owner is permitted (donations may be made to a charity nominated in the event flyer, newsletter listing).
- Event must commence from a common point; no door to door service.
- Event must terminate at a common point, e.g. at the venue.
- Display vehicles at the termination point, and
- Charity collection at the car display or termination point (charity must be a recognised charity; and event coordinator or designated person must have authorisation from the relevant charity to act as a fundraiser at this event).

The above requirements are not new, they are simply an extrapolation of the existing published SIV guidelines resulting in an approved interpretation for your club's use. They are very close to the guidance provided by the QHMC Executive to one of our country clubs back in 2010 – further reason that QHMC has to be the first point of contact for consistent and accurate interpretation of guidelines.

Remember that in November 2012 Queensland adopted the long-anticipated National Code of Practice (NCOP) for Vehicle Modifications with some parts amended to suit Queensland requirements. Essentially though, this is the same Code of Practice used in other states.

The NCOP has been running concurrently with the Code of Practice for Light Vehicle Modifications since then however as at 30 April 2013 the NCOP will be the only Code of Practice used in Queensland. Many of our cars may have been modified under the outgoing Code of Practice. Is your car legal?

2013-2014 CLUB MEMBERSHIP

Just a gentle reminder that your Club membership is due by 30th June. Please note that it is a Club requirement that members complete a 'Membership Renewal Form' when renewing their membership as this ensures that Club records are kept up-to-date. A partially completed form will not be accepted. The renewal fee is \$20.00 single and \$30.00 dual. The completed form and accompanying payment is to be presented to the Treasurer.

Special Interest Vehicle Registration (SIV) ~ 'Concessional' or 'Club Rego'

To qualify for 'Concessional' or 'Club Rego' registration, new members must attend four (4) Club-sanctioned activities or Club meetings within the first six (6) months of membership. Thereafter new and present members holding concessional registration must attend four (4) Club-sanctioned activities or Club meetings each year in order to retain the concessional registration. Failure to comply may result in a recommendation to the Department of Transport and Main Roads for forfeiture of the registration.

Some facts for Special Vehicle Registration:

Registering your vehicle under the Special Interest Vehicle Registration Concession Scheme:

Historic Vehicles

You will need to follow the standard registration procedures for a vehicle as well as completing a Vehicle Registration Concession Application (form F3937) and providing the following documents as proof of eligibility:

Club Membership: Evidence of current membership with an incorporated vehicle club or association must be provided at the time of application for the concession.

Historic Vehicle and Dating Certificate: A dating officer (or club official) of an incorporated vehicle club or association must inspect the vehicle to certify the vehicle's authenticity and year of manufacture, that is, no structural modifications have been made that would deem it as manufactured at the date it was modified. This certificate must be on club letterhead or other official club documentation and include the chassis number or vehicle identification number.

Vehicles fitted with a modification plate, code LH10 are not eligible for a special interest vehicle concession.

Vehicles registered under the scheme have certain limitations placed on their use. This is reflected in the reduced fees and compulsory third party insurance premium. Registered operators must confine their vehicle's use to:

- Participating in rallies organised by incorporated vehicle clubs.
- Participating in processions for which a Special Events Permit has been issued under the Transport Operations (Road Use Management –Accreditation and Other Provisions) Regulation 2005.
- Exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes.
- Ceremonial purposes (weddings, formals) involving immediate family members provided this is not done for fee or reward. Immediate family means parents, grandparents, sons, daughters, grandchildren but not extended family relationships such as nephews and nieces.
- Preparing for, proceeding to, and returning from the above activities.
- Direct travel to and from an Approved Inspection Station (AIS) for the purposes of obtaining a safety certificate before offering the vehicle for sale.
- Travel in order to have the vehicle repaired. There is no distance restriction in these circumstances however, such travel must be reasonable and justifiable by the vehicle operator.
- Road testing within a 15 kilometre radius from the place where the vehicle is garaged. The purpose of the travel must be to road test the vehicle following repair or restoration and not for any other purpose. This does not include use as a means of transport.

Failure to comply with the conditions of the special interest vehicle scheme is an offence and serious consequences may result.
