A Great run to Rick's Garage, Palmwoods, 19th May

A great turn-out for the run to Rick's Garage at Palmwoods on Sunday 19th May. Initially just 22 members, but on the day over 50 people attended in 30-plus cars. A phone call by Liz to Rick's to amend the figures and to prepare them for the onslaught. The run to Palmwoods was via the Bruce Highway with a diversion along Steve Irwin Way where a 10-minute stop to regroup including a Kodak opportunity was made. The exit to Palmwoods from the Nambour Connection Road didn't quite go to plan as the wrong exit was made, but quick footwork by the run leader quickly rectified the situation.

Rick's Garage is situated in the centre of Palmwoods with parking available in front or along the street. Parking is also available at the rear. A group of bikers beat us to the draw and took the prime parking spots in front of

Rick's, however, club members managed to find suitable parking. On arrival we were met by club members Billy, Shane and Kerri who arrived ahead and assisted with the parking. There were a couple of others but I didn't take note of who they were.

Once parked, and following some idle chat, members quickly queued for lunch and then gathered on the adjacent lawn where there were covered picnic-type tables and seating. Those who ordered hamburgers were somewhat surprised by their size. They were humongous and scrumptious.

At the conclusion of the visit to Rick's, some

members headed for home while others decided to take a look at the Endeavour prize home at Maleny. Quite a nice home located in a affluent part of town.

Rick's is a great venue with pleasant staff and service and the Club was welcomed with open arms. Will definitely be going back there in the not-to-distant future.

Thank you to all those who attended particularly new members and guests.

Lance.

Joke of the week from Cyril ... A couple have not been getting along for years, so the husband thinks: "I'll buy my wife a cemetery plot for her birthday." Well you can imagine her surprise and disappointment. The next year her birthday rolls around again and this time he doesn't get her anything. She asks: "Why didn't you get me a birthday present?" He replies: "You didn't use the one I gave you last year!"

A tribute to our Secretary It is with regret that I announce the resignation of our secretary, Liz Harris. Liz took-on the secretarial role at the 2012 AGM and did her best to fulfill the requirements of this demanding and difficult job despite her other commitments and recent ill health. The Club recognizes and most sincerely thanks Liz for her efforts and particularly for her willingness to accept the job in 2012. All is not lost, however, as Liz will still be around as she is a keen participant in Club activities. Lance.

THE BEER PRAYER

Our lager
 Which art in barrels,
 Hallowed by thy drink
 Thy will be drunk (I will be drunk).
 At home as in the tavern,
 Give us this day our foamy head,
 And forgive us our spillages,
 As we forgive those who spill against us,
 And lead us not into incarceration,
 But deliver us from hangovers,
 For thine is the beer, the bitter and the lager,
 For ever and ever.
 Amen.

The Perfect Club for the Car Enthusiast**Rodz Rock 'N Roll, Strathpine, 25th May**

Although there is no formal run report for this event, and not being there, I will have to adlib! A small group of CRCC members represented the Club for the Pine Rivers Festival Rodz Rock 'N Roll event and car show. The rendezvous point was BP South with Dennis, Brock and James ('79 Gold HZ Kingswood), Dave and Cathy ('56 Red Morris Convertible), Estelle and Cyril ('55 Black FJ Ute), Craig ('72 Silver LJ Torana Sedan), Carl ('85 Red Type 55 Bugatti) and Kevin ('77 White LX Torana) meeting for the run down to Strathpine to the event. Graham Butters ('74 Green LH Torana) didn't quite make the rendezvous point and I understand that he met the group at the venue. Also at the event were John Hogg ('75 Green XJ6 Jaguar) Rob and Jan ('62 Red Dodge Phoenix) and Steve and Debbie ('50 Chev). Shane and Kerri were there, too, as well as Liz and Darryl. The weather was absolutely superb, and as such, over 400 cars were on display.

A very fruitful day for the Club as our President Dennis Seidel was awarded a trophy for 'Best Interior' for his HZ. Well-done Dennis and congratulations. Congratulations also to Laurie Facey who won a trophy for his XB GT Falcon. And many thanks to the Club members who made it to the event. If I have left anyone out, my deepest apologies. Apologies also if a pic of your car is not listed below. Lance.

Peeing On The Flowers. A little old lady was walking down the street dragging two large plastic garbage bags behind her. One of the bags was ripped and every once in a while a \$20 note fell out onto the footpath. Noticing this, a policeman stopped her, and said, "Ma'am, there are \$20 notes falling-out of that bag." "Oh, really? Darn it!" said the little old lady. "I'd better go back and see if I can find them. Thanks for telling me officer." "Well, now, not so fast," said the cop. "Where did you get all that money? You didn't steal it, did you?" "Oh, no, no", said the old lady. "You see, my back yard is right next to a golf course and lot of golfers come and pee through a knot hole in my fence, right into my flower garden. This really ticks-me-off. It kills my flowers and the area below the hole stinks, you know. Then I thought, "why not make the best of it?" "So now I stand behind the fence by the knot hole, real quiet, with my hedge clippers. thing through my fence, I surprise him, grab hold of it and say, 'OK buddy! Give me \$20, or off it comes.'" "Well, that seems only fair," said the cop, laughing. "OK. Good luck! Oh, by the way, what's in the other bag?" "Not everybody pays."

Special Interest Vehicle Registration (SIV) ~ 'Concessional' or 'Club Rego'

To qualify for 'Concessional' or 'Club Rego' registration, new members must attend four (4) Club-sanctioned activities or Club meetings within the first six (6) months of membership. Thereafter new and present members holding concessional registration must attend four (4) Club-sanctioned activities or Club meetings each year in order to retain the concessional registration. Failure to comply may result in a recommendation to the Department of Transport and Main Roads for forfeiture of the registration.

Some facts for Special Vehicle Registration:

Registering your vehicle under the Special Interest Vehicle Registration Concession Scheme:

Historic Vehicles

You will need to follow the standard registration procedures for a vehicle as well as completing a Vehicle Registration Concession Application (form F3937) and providing the following documents as proof of eligibility:

Club Membership: Evidence of current membership with an incorporated vehicle club or association must be provided at the time of application for the concession.

Historic Vehicle and Dating Certificate: A dating officer (or club official) of an incorporated vehicle club or association must inspect the vehicle to certify the vehicle's authenticity and year of manufacture, that is, no structural modifications have been made that would deem it as manufactured at the date it was modified. This certificate must be on club letterhead or other official club documentation and include the chassis number or vehicle identification number.

Vehicles fitted with a modification plate, code LH10 are not eligible for a special interest vehicle concession.

Vehicles registered under the scheme have certain limitations placed on their use. This is reflected in the reduced fees and compulsory third party insurance premium. Registered operators must confine their vehicle's use to:

- Participating in rallies organised by incorporated vehicle clubs.
- Participating in processions for which a Special Events Permit has been issued under the Transport Operations (Road Use Management –Accreditation and Other Provisions) Regulation 2005.
- Exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes.
- Ceremonial purposes (weddings, formals) involving immediate family members provided this is not done for fee or reward. Immediate family means parents, grandparents, sons, daughters, grandchildren but not extended family relationships such as nephews and nieces.
- Preparing for, proceeding to, and returning from the above activities.
- Direct travel to and from an Approved Inspection Station (AIS) for the purposes of obtaining a safety certificate before offering the vehicle for sale.
- Travel in order to have the vehicle repaired. There is no distance restriction in these circumstances however, such travel must be reasonable and justifiable by the vehicle operator.
- Road testing within a 15 kilometre radius from the place where the vehicle is garaged. The purpose of the travel must be to road test the vehicle following repair or restoration and not for any other purpose. This does not include use as a means of transport.

Failure to comply with the conditions of the special interest vehicle scheme is an offence and serious consequences may result.
