Show 'N Shine & Swap Meet ~ a huge success

Not a great deal to report except that this year's Club annual Show 'N Shine and Swap Meet was a monumental success. This was brought about by the dedication and support by the event organisers and other Club members who unselfishly gave of their time and their recourses. Superb weather on the day added to the event's success. However, consistent rain during the week leading-up to the event resulted in much anxiety and fingernail biting. With the event scheduled for Saturday 22nd June, things were not looking too good, and despite the weatherman's prediction of a fine and sunny Saturday, members were not so sure. Set-up for the event was planned for the preceding day, and as the day dawned, the rain continued. Much to the surprise of many, the rain ceased at around 1:00pm which enabled members to set-up the site and to monitor the arrival of early-bird swap meet vendors. In total, there were 186 cars and 300 swap meet vendors.

Saturday dawned cloudless and but chilly with Club members starting to arrive at the Caboolture Showgrounds at around 4:00am to finalise the set-up and to get ready for the onslaught of display vehicles, swap meet vendors and the public. From a show 'n shine point-of-view, the number of show vehicles initially seemed down on numbers compared to last year and it was felt that the inclement weather may have been a contributing factor, but by 10:00am, the showground was filling fast.

The quality of vehicles on display was of a very high quality and varied. Some quite surprised owners were called-forward to receive awards from President Dennis Seidel, and congratulations to all particularly the overall winner with his Chevy Chevelle.

Dennis and the committee extends their appreciation and gratitude to members for their tireless and endless work which made the day the success it was. To those also who manned the gates from in the pre-dawn darkness to the conclusion of the event and to the many sponsors who donated the various trophies, and to the 'Jaywalkers' for providing free entertainment; are all profoundly thanked.

General BusinessSwap Meet and Show 'N Shine, 22 June

12. Cathy thanked everybody who gave their time to assist with both the show 'n shine and the swap meet, particularly during the set-up on the Friday afternoon when the weather was far from predictable. It had rained during the week and it continued through until early Friday afternoon. Cathy said that the event worked well but some refinements were needed. The following issues were discussed:

- a. Telephone Traffic. Cassandra Brown said that she was inundated with phone calls prior to the event, some of which were considered unnecessary. She suggested that perhaps the implementation of a recorded message might shed some of the load. Kev suggested a dedicated person who could afford the time be delegated the task of taking phone calls.
- b. Funds Control. Bob Farmer raised concerns at the high denominations in currency presented by vendors/visitors at the gates which put a considerable strain on the float. He said that some people arrived cashless with the intent of using the onsite ATM. Those who Bob had let through to use the ATM did not return to pay for their entrance or site fees.
- c. Entrance Fee. Shane Tittor recommended that the entrance fee be increased from \$4.00 to \$5.00 per person as this would aid in better funds management at the gates.
- d. Show 'N Shine Entrants. Kevin Lewis informed that there were 186 entrants in the show 'n shine. A further 30 chose not to be judged.
- e. Gate Entry. Cassandra Brown was unable to open her gate with the key provided and suggested that all gates have the one key format.
- f. Removal of Purchased Goods from Swap Meet Site. Car Talboys recommended that the Club acquire trolleys to assist people in removing their purchased goods from the swap meet site.
- g. Incidents. Cathy advised of two incidents which caused some concern. These were:
 - i. Use of Facilities by Club. A member of the 'Bird Association' was upset that a vendor was using the bird shed thereby voiding him access to it. Situation resolved.
 - ii. Vehicle Movement on Grounds. It was reported that a vehicle 'hastily' left the grounds without authority at 12:30 pm. The complainant was quite vocal on the matter claiming that the vehicle left the grounds without authority. The complainant was not a member of the Club or the Show Society. As a result of this matter, and other matters at the previous event, Cathy suggested that the Club should raise the issue with the Show Society. This was agreed.

For Action: Cathy to liaise with the Show Society to set-up a meeting with the Club executive committee.

- h. Printing of Event Flyers. Cathy acknowledged the support provided by Brian Bates (Caboolture Bowl) for sponsoring the printing of event flyers and other material. Brian has unselfishly and generously provided this support for previous show 'n shine and swap meet events as well as for the monthly Club newsletter. Cathy asked for an acknowledgement of appreciation on behalf of the Club.
- i. SES Support. As an acknowledgement of the excellent support provided by the Caboolture SES who tirelessly gave their time in performing a multitude of roles, Cathy proposed that the Club donate a sum of \$1500 to the SES to be shared with their Woodford colleagues. Seconded Jason Brown.

Carried.
- j. Support from Myra Thompson. Myra, a participant in the yearly 'Ride for Cancer' event and a recipient of a past donation from the Club, kindly assisted in several roles during the event. Cathy proposed that the Club donate a sum of money towards Myra's next Ride for Cancer. It was agreed that an amount of \$500 be presented to Myra for Ride for Cancer. Seconded Carl Talboys.

Carried
- k. Donation to Toni Gilliland. Cassandra Brown proposed that the Club make a donation to Toni

CABOOLTURE REGIONAL CAR CLUB INC CLUB

The Perfect Club for the Car Enthusiast

Gilliland for giving of her time in volunteering assistance at the event. Although Toni is not a member of the Club her efforts were much appreciated. Proposed Cassandra Brown and seconded by John Hogg than an amount of \$50.00 be donated to Toni.

Carried.

13. Donation to 'Friends of the Street'. As an adjunct to the address by Phil McLean of 'Friends of the Street' (Para 6), Shane Tittor proposed that the Club make a donation to the organisation to assist it with its charity work for the homeless. Kevin Lewis suggested that as an alternative, the Club pay the yearly fees for vehicle registration and insurance. For further discussion.

Runs and Events

14. Lions Yowie Festival, Kilcoy, Saturday 06 July. Meet BP North at 12:45pm for a 1:15pm departure.

Joke of the week from Cyril ... Finding a woman sobbing that she had locked her keys in her car, a passing soldier assures her that he can help. So she looks-on in amazement as he removes his trousers, rolls them into a tight ball and rubs them against the car door. Magically it opens. "That's so clever," the woman gasps. "How did you do it?" "Easy," replied the soldier. "These are my khakis."

Just when you thought you'd seen enough of gullwing cars, I'd like to introduce another gullwing to the block, namely the 1974 Bricklin SV-1. Not long after, John DeLorean unveiled his car of the future, the DMC-12 DeLorean. In 1971, inspired by a young, rich Malcolm Bricklin who decided that America needed a revolutionary new sports safety car. Three years and \$20 million later, he gave it to them. There were 780 Bricklins produced in 1974 fitted with a 220hp AMC 360cid V8. Because of a short supply of these engines from AMC in 1975, a switch was made to the 175hp Ford 351 Windsor V8. The 1975 model saw 2062 cars come-off the assembly line. Bricklin went into receivership in September 1975, with 12 cars left on the line.

Assembled in Saint John, New Brunswick, Canada, Bricklin's initial intent was to sell the cars for \$4000. That price went to \$6500, then to \$7400 by the time the first 1974 model was actually bought. The 1975 model skyrocketed to \$9980.

One feature of the Bricklin was that it didn't include an ashtray or lighter, and this was to discourage smoking. Despite its gut-busting, 100lb (40.5kg) gullwing doors, the SV1 was supposed to exemplify the safer car of the future; the name stands for "Safety Vehicle 1." The bodies were made of brightly coloured, dent-resistant plastic, like playschool furniture. All those resin panels and compressible bumpers added hundreds of pounds that the emissions-limited V8s couldn't handle.

The Perfect Club for the Car Enthusiast**QUEENSLAND HISTORIC MOTORING COUNCIL NEWS***(from QHMC General Meeting May, 23, 2013)*

2013 QHMC Rally: Sunshine Coast Antique Car Club 50th anniversary week-long celebration was in conjunction with the 2013 QHMC Rally. The Rally was running from the 2nd to 9th of June but with Monday being the June long weekend holiday SCACC proposed extending the rally activities to Monday as well. The week of rallying went well with Friday being book in day for the QHMC rally. Saturday saw an open car display with "give me 5 for kids" being the benefitting charity. The display featured approximately 300 vehicles with vehicles across the whole range available, from Veterans to hot rods. Saturday continued with an afternoon run then presentation dinner. Sunday saw heavy rain which didn't deter some with a tour to Yandina then open fire cooked lunch at Eumundi. Due to the rain the rally wound up at this point. Great job SCACC! For those wishing to see some of the vehicles look here - <https://www.dropbox.com/sh/xk71vm7cmuizgqg/hYix5l2xqX>

Canberra 100 Rally: The Canberra 100 Rally, organised by the National Trust with all profits going to the National Trust, is 19th & 20th October 2013, commencing at Jervis Bay and driving to Canberra. Rally fee – \$125 per vehicle + charge for meals. Each state and territory council has been encouraged to conduct rallies arriving in Canberra on 18th October 2013 for the national rally. The overall event will be similar to the Shannon's Rally in 2001. http://www.qhmc.org.au/Event_Flyers/Canberra%20100%20Rally.pdf

The Bayside Vehicle Restorers Club is organising a run from Brisbane to Canberra. The run is planned to leave Brisbane on the 13th October and arrive at Tarago (mid-way between Jervis Bay and Canberra) on the 19th October at morning tea time to join the Canberra 100 Rally for the run in to Canberra. See http://www.baysideclub.org.au/canberra_run.htm for run information plus you can fill in a web based nomination form.

North Qld. QHMC Rally 2014. Townsville Vintage and Veteran Historical Motor Club will be holding the first North Queensland QHMC rally in conjunction with its Hub Rally over Easter 2014. There are plans for a touring group to travel from SE Qld to Townsville for this event.

Southern Qld. QHMC Rally 2014. The Brisbane Vintage Auto Club (BVAC) has nominated to run the 2014 SQHMC rally. BVAC has run many excellent rallies and the 2014 event will be no exception.

Any club wishing to run either the North or South QHMC rally for 2015 and beyond, please contact the QHMC Secretary. So far we have an enquiry for the Sthn QHMC rally, more on that later.

DTMR: DTMR called a meeting for 3rd June, the various Car councils as well as some individuals clubs in attendance. The full report from this meeting will be out shortly however early news is that it was a good meeting with topics covering a wide range of subjects, including SIVS. No changes being considered at this time just clearing some points. Next meeting will be in early September.

From other discussions:- No matter how correct, unless you are prepared for delays, do not take your vehicle for registration without an appropriate chassis number. Your dating officer should be able to tell possible locations and also give an idea of what numbers you might be looking for. Those having difficulties with registrations email Rod Graydon at automarineconsulting@hotmail.com

Club Websites: Jason Dodge from the Beaudesert & District Restored Auto Club has written-in offering clubs assistance in setting up their own site. Jason mentioned that they had an increase in Swap attendance and an increase in new members since the web site was established. He is willing to assist clubs to do the same. Jason can be contacted at beaudesertswap@yahoo.com.au or 0414 066 121.

The Beaudesert Club's site is very good and you can check it out at <http://www.beaudesertswap.weebly.com>

Committee. The AGM is nearly upon us and some members of the current committee will not be continuing.

We will need a treasurer, two AHMF reps and a webmaster at the very least.
