October 2013

Tappet Chatter for October 2013

The official newsletter of the Caboolture Regional Car Club Inc

The Perfect Club for the Car Enthusiast

The Changing of the Guard.....

First of all, I would like to thank Lance Haslewood who has been our club editor (and other positions) for the last few years. I know that many of you have enjoyed his newsletters and the wonderful job he has done for us all.

As you can see, the newsletter will be a little different to the previous editor as sadly I don't have the same computer programs (or experience....yet) to meet the type of newsletter produced in the past. However, I will do my best to ensure you have all the information you need and hopefully develop my skills to bring the newsletter to a level you all will be happy with (fingers crossed!).

So here we go.....

Special Interest Vehicle Registration (SIV) ~ 'Concessional' or 'Club Rego'

To qualify for 'Concessional' or 'Club Rego' registration, new members must attend four (4) Club-sanctioned activities or Club meetings within the first six (6) months of membership. Thereafter new and present members holding concessional registration must attend four (4) Club-sanctioned activities or Club meetings each year in order to retain the concessional registration. Failure to comply may result in a recommendation to the Department of Transport and Main Roads for forfeiture of the registration.

Some facts for Special Vehicle Registration:

Registering your vehicle under the Special Interest Vehicle Registration Concession Scheme:

Historic Vehicles

You will need to follow the standard registration procedures for a vehicle as well as completing a Vehicle Registration Concession Application (form F3937) and providing the following documents as proof of eligibility:

Club Membership: Evidence of current membership with an incorporated vehicle club or association must be provided at the time of application for the concession.

Historic Vehicle and Dating Certificate: A dating officer (or club official) of an incorporated vehicle club or association must inspect the vehicle to certify the vehicle's authenticity and year of manufacture, that is, no structural modifications have been made that would deem it as manufactured at the date it was modified. This certificate must be on club letterhead or other official club documentation and include the chassis number or vehicle identification number.

Vehicles fitted with a modification plate, code LH10 are not eligible for a special interest vehicle concession.

Vehicles registered under the scheme have certain limitations placed on their use. This is reflected in the reduced fees and compulsory third party insurance premium. Registered operators must confine their vehicle's use to:

- Participating in rallies organised by incorporated vehicle clubs.
- Participating in processions for which a Special Events Permit has been issued under the Transport Operations (Road Use Management –Accreditation and Other Provisions) Regulation 2005.
- Exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes.
- Ceremonial purposes (weddings, formals) involving immediate family members provided this is not done for fee or reward. Immediate family means parents, grandparents, sons, daughters, grandchildren but not extended family relationships such as nephews and nieces.
- Preparing for, proceeding to, and returning from the above activities.
- Direct travel to and from an Approved Inspection Station (AIS) for the purposes of obtaining a safety certificate before offering the vehicle for sale.
- Travel in order to have the vehicle repaired. There is no distance restriction in these circumstances however, such travel must be reasonable and justifiable by the vehicle operator.
- Road testing within a 15 kilometre radius from the place where the vehicle is garaged. The purpose of the travel must be to road test the vehicle following repair or restoration and not for any other purpose. This does not include use as a means of transport.

Failure to comply with the conditions of the special interest vehicle scheme is an offence and serious consequences may result.

Please refer to the Department of Transport and Main Roads for SIV Policy and Procedures.

QUEENSLAND HISTORIC MOTORING COUNCIL

(Inc)

(Affiliated with Australian Historic Motoring Federation)

QHMC BULLETIN 2 of 2013

URGENT RESPONSE REQUIRED.

To: QHMC Club Delegates and Affiliated Clubs

Subject: SIVS options as presented by TMR

For many years QHMC have been participating in quarterly one on one meetings with management from the department of Transport and Main Roads (TMR). These meetings offered the opportunity for two-way communication between TMR and historic motoring enthusiasts and were effective in resolving issues including those regarding the current SIV (Special Interest Vehicle) concessional registration system. A few months ago TMR advised that it was creating the Motoring Organisation and Car Club (MOCC) forum that would allow the department to engage with a broader range of stakeholders operating vehicles registered under the SIV scheme. As a starter only TMR put forward the following options for consideration at the recent meeting.

A topic raised at these meeting was the actual SIV scheme and questions raised about

- a. Retaining the scheme as it is.
- b. Modifying the current scheme to allow more personal use
- c. Changing to an alternate scheme such as a log Book permit System
- d. Running both the current scheme and a log book system in. parallel.

QHMC is also proposing a variation on option 2

- . Maintain the current scheme but allow free use on Sundays.

These options are discussed in detail in the attached document.

It must be stressed that these proposals are nothing more than discussion starters. No commitment has been made to implement these or any changes, and it is possible that there may ultimately be no change at all to the current system.

As a result TMR has requested the MOCC Forum members to conduct a survey within their own groups with the goal of establishing the current attitudes of member clubs to determine which, if any of these options would be supported, and to what extent. Whilst there are several log book schemes operating in other states of Australia it is the Victorian system introduced in 2011 that TMR refer to in most discussions.

Under normal circumstances, so that clubs have time to meet and discuss the issues in full, approximately three months would be allowed to conduct a survey of this type. However TMR has requested that we provide a response by October 31.

I realize that the timing is very tight and that some clubs may have difficulty in canvassing the views of their members in such a short space of time, however I would ask that you give this important issue the attention it deserves and make every effort to meet the deadline imposed on us. Suggestion below.

Email or post this bulletin and attachments to all members of your club and advise that the matter will be discussed at your October meeting.

Request that members who are unable to attend the meeting advise by proxy their votes for the options listed.

At the meeting discuss the options and vote accordingly noting the actual numbers attending and numbers of those for and against each option.

Return the information to QHMC at the earliest convenience.

If your club is unable to meet in the required period please advise QHMC of your intended meeting date and the number of members to be surveyed. I can at least advise TMR that a further number of clubs (stating an actual number) will be submitting accurate returns at a later date and I can formally table the amended totals at a future meeting.

Whilst I encourage clubs to seek the views of as many members as possible, it is important to remember that it is the club's, not the individual members of those clubs that form the membership of QHMC and it will be the club's views alone that QHMC will be taking to TMR.

Please also remember that when considering your responses that TMR have been direct in stating that the cost of any administrative changes required to modify or introduce a new system could be considerable and this cost will be recoverable through

increases in charges. The more complex the changes the more administration cost is involved and this will be recovered through increased registration fees.

I apologise for the late notice of this but the timeframe was advised by TMR and therefore beyond the control of QHMC.

If your club is absolutely unable to comply with the deadline please let me know asap. In such circumstances I urge you to still go ahead and complete the survey and advise me of the results at the earliest time possible so that I may include your valued response in a final report to be tabled at the next official TMR meeting.

This matter is one of great importance to not only members of QHMC affiliated clubs but also owners of historic vehicles across Queensland. Should you have any query please do not hesitate to contact QHMC TMR Liaison Officer Rod Graydon on email rod.qhmc@gmail.com or by telephone 0417 620877 (after hours if possible)

Email completed surveys may be forwarded to :- secretary@qhmc.org.au

President QHMC

QHMC SIVS SURVEY OCTOBER 2013

URGENT RESPONSE REQUIRED.

This survey is important to the future directions of QHMC and the Queensland Heritage vehicle movement in general and the QHMC committee requests that you seek the views of your membership and return the completed survey promptly.

Please remember that QHMC represents the interests of member clubs, not those of individual members of these clubs. We therefore request that you discuss these questions with as many of your members as possible, preferably in a general meeting, and provide a consensus view rather than the view of an individual in your club.

We will continue to follow up clubs that have not returned their survey until it is felt that a sufficient number of responses have been received with which to form a reliable and supportable view of the issue.

To complete the survey please follow the guidelines here.

Questions 1, 2, 4 and 5 – Simply circle the appropriate response.

Question 3. Please insert the number of members in your club and then the number in favour of each option next to 'For' But each member may only vote for one option.

CLUB NAME :-

CLUB MEMBER NUMBERS;-.....

Q1. Should QHMC act on the wants and needs of:-

- (a) The majority of member clubs
- (b) The minority of member clubs
- (c) All member clubs regardless of whether these wants and needs conflict with those of other clubs

Q.2 Is your club satisfied with the current Special Interest Vehicle Scheme registration arrangements?

* Yes * No

If no please explain the reasons here

Q3/ TMR has offered the following 4 schemes as options to be considered for possible future SIV registration schemes. QHMC have added Option 2 b to be considered and submitted. Please refer to the attached SIV options pages when considering the options

- (1) Retain the current SIV scheme as it is ? **For.....**
- (2) Retain the current scheme but with the option to purchase an additional 20 log book days at a cost yet to be determined by TMR. **For.....**
- (2b) Retain the current scheme but the addition of free use on Sundays **.For.....**
- (3) Adopt a log book scheme similar to the Victorian scheme but only 52 days use. **For..... Or 90 days as per Victorian system For.....**
- (4) Running the current scheme and a log book scheme concurrently. **For.....**

Q 4. How much extra, if anything, would your members be prepared to pay per year in registration charges for these changes? (please circle a,b,c,or d.)

- (a) Not prepared to pay any extra
- (b) Up to \$50pa
- (c) \$50 to \$100pa
- (d) More than \$100pa

Q 5. Would your club be prepared to administer any new arrangements, accept responsibility for, and enforce your club member's compliance with the rules? (please circle a or b)

- (a) Yes (b) No

Additional comments

For any query please contact QHMC TMR Rep Rod Graydon by email to rod.qhmc@gmail.com or if urgent 0417 620877 (after hours is preferable)

Please return this survey ASAP to

secretary@qhmc.org.au or post a hard copy to
