Welcome to November 2013 Newsletter.

*13th Annual Wheels of the Century Automotive Show
Redcliffe Showgrounds - 03 November 2013*

For the Holden fans.

Nice FJ utes with the one in the middle that was a sedan and is now classed as a "coupe"

Even the classic trucks where out and about too.

The black 32 Coupe was a peddle car that travels on a black on a scale down tow truck. The kids looked the peddle car and wanted to get in it.

All up there was about 50 cars when we arrived at about 9.30. There were various vehicles which included various FJs, HR, EH, range of Chevolets, only a hand full of classic fords and a few dodge and international classic trucks. The one car that stood out to me was the black GT40. I really wondered how the owner could get in and out of the car when it's so low to the ground! But, it did look good. As the morning went on we found out most people were starting to head over to the 'other car show' as there were more cars and it was a busy with people, cars, food and entertainment. So Mitch and I jumped back into the car and headed to Old Petrie Town.

North Pine Country Cruise Old Petrie Town - 03 November 2013

Mitch and I arrived at 10.30. The sun was hot and the cars even hotter! There were over 250 cars parked all over Old Petrie Town which took us over two hours to look at them and we hadn't even look at the cars in the carpark yet! It was a great day to drool over some beautiful vehicles. There were so many different makes and models – Buicks, Dodges, Falcons, Mustangs, Japanese coupes, Camaros, Various '55-'57 Chevolets, '29 Chev Ute, Caddies and the list goes on.

If you had the cash you could have been the proud new owner of a '56 Chevy for a cool \$36k, maybe a '63 XL Falcon wagon for \$15k, or even a red '68 C10 Chevy for \$19k. The highest price car there was a brown XY GT with a price tag of \$110k!

Bruce Hartshorn updating us on his NSW Endeavour Rally

On the 27 Oct the rally car sponsored by our club returned from the 5000km trip from Brisbane to Sydney on to Cameron Corner and back to Bathurst sometimes in 40 degree heat. The NSW Endeavour Rally raised \$ 150 000 for clients of Endeavour Services all of whom have disabilities.

The support by this club makes a real difference in the lives of these people ten of whom accompanied the trip in a minibus and joined in the fun each evenings at each camp. Thirty five rally cars competed and most completed the run through the outback on sandy, stony and often rough bush tracks. One team came from NZ and another from Victoria whilst most were from NSW or Qld. I would encourage anyone to have a go because it is great fun in an old car.

Thanks again for making a donation to the Endeavour Foundation to help those in need.
Bruce Hartshorn - Go the Torana.

Thanks for the story Bruce.

Jokes from Cyril.....*Can't get Nun*

A hippie gets on a bus and spies a pretty young nun. He sits down next to her and asks "Can you have sex?" "No", she replies. "I'm married to God". She stands up and gets off at the next stop.

The bus driver who overheard turns to the hippie and says "I can tell you how to get have sex with her!" "Yeah?" asks the hippie.

"Yeah!" says the bus driver. "She goes to the cemetery every Tuesday night at midnight to pray, so all you have to do is dress up in a robe with a hood, put some of that luminous powder stuff in your beard, and pop up in the cemetery claiming to be God."

The hippie decides to give it a try, and arrives in the cemetery dressed as suggested on the next Tuesday night. "I am God," he declares to the nun, keeping the hood low so it covers up his face. "Have sex with me."

The nun agrees without question, but begs him to restrict himself to anal sex, as she is disparate not to lose her virginity. "God agrees" and promptly has his wicked way with her.

As he finishes, he jumps up and throws back his hood with a flourish. "Ha ha" he cries. I'm the hippie!

"Ha ha!" cries the nun, "I'm the bus driver!"

One for the Ladies

In a dark and hazy room, peering into a crystal ball the mystic delivers grave news: "There's no easy way to tell you this, so I'll just be blunt. Prepare yourself to be a widow. Your husband will die a violent and horrible death this year."

Visibly shaken, Laura stares at the woman's lined face, then at the single flickering candle, then down to her hands. She takes a few deep breaths to compose herself and to stop her mind racing. She simply has to know..... She meets the fortune tellers' gaze, steadies her voice and asks: "Will I be acquitted?"

See you all next month.....

Special Interest Vehicle Registration (SIV) ~ 'Concessional' or 'Club Rego'

To qualify for 'Concessional' or 'Club Rego' registration, new members must attend four (4) Club-sanctioned activities or Club meetings within the first six (6) months of membership. Thereafter new and present members holding concessional registration must attend four (4) Club-sanctioned activities or Club meetings each year in order to retain the concessional registration. Failure to comply may result in a recommendation to the Department of Transport and Main Roads for forfeiture of the registration.

Some facts for Special Vehicle Registration:

Registering your vehicle under the Special Interest Vehicle Registration Concession Scheme:

Historic Vehicles

You will need to follow the standard registration procedures for a vehicle as well as completing a Vehicle Registration Concession Application (form F3937) and providing the following documents as proof of eligibility:

Club Membership: Evidence of current membership with an incorporated vehicle club or association must be provided at the time of application for the concession.

Historic Vehicle and Dating Certificate: A dating officer (or club official) of an incorporated vehicle club or association must inspect the vehicle to certify the vehicle's authenticity and year of manufacture, that is, no structural modifications have been made that would deem it as manufactured at the date it was modified. This certificate must be on club letterhead or other official club documentation and include the chassis number or vehicle identification number.

Vehicles fitted with a modification plate, code LH10 are not eligible for a special interest vehicle concession.

Vehicles registered under the scheme have certain limitations placed on their use. This is reflected in the reduced fees and compulsory third party insurance premium. Registered operators must confine their vehicle's use to:

- Participating in rallies organised by incorporated vehicle clubs.
- Participating in processions for which a Special Events Permit has been issued under the Transport Operations (Road Use Management –Accreditation and Other Provisions) Regulation 2005.
- Exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes.
- Ceremonial purposes (weddings, formals) involving immediate family members provided this is not done for fee or reward. Immediate family means parents, grandparents, sons, daughters, grandchildren but not extended family relationships such as nephews and nieces.
- Preparing for, proceeding to, and returning from the above activities.
- Direct travel to and from an Approved Inspection Station (AIS) for the purposes of obtaining a safety certificate before offering the vehicle for sale.
- Travel in order to have the vehicle repaired. There is no distance restriction in these circumstances however, such travel must be reasonable and justifiable by the vehicle operator.
- Road testing within a 15 kilometre radius from the place where the vehicle is garaged. The purpose of the travel must be to road test the vehicle following repair or restoration and not for any other purpose. This does not include use as a means of transport.

Failure to comply with the conditions of the special interest vehicle scheme is an offence and serious consequences may result.

Please refer to the Department of Transport and Main Roads for SIV Policy and Procedures.
