The Perfect Club for the Car Enthusiast

Welcome to March 2014 Newsletter.

This month's meeting was the fastest one on record even with being locked out of the area for a little while. We had two new faces at the meeting, Cliff with a FJ Holden and David with a classic Merc.

There have been two runs. One was to the Sunshine Coast area where the drive went to the Glasshouse mountains to the Cheese Factory at Montville then to Palmwood and finally for a counter lunch at the pub. It was noted that a few of the members got left behind at different locations. Just remember to keep an eye on the person behind you so no one gets left behind and keep to the speed limit.

And there was the Aussie Day with about 13 cars from the club. Dennis said it was a good day and really enjoyed being on the track heaps as they had about 100 passes to use.

Cyril monthly joke.....

Edinburgh man Wullie McTavish is on his death bed, surrounded by the nurse, his wife, his daughter and two sons.

“So”he croaks, “Bernie, I want you to take the Braid Hills houses, Sybil, take the flats over in Morningside and Bruntsfield. Tam, I want you to take the offices in Charlotte Square. Sarah, my dear wife, please take all the residential buildings in the New Town”.

The nurse is amazed. As Wullie slips away, she said, “Mrs McTavish, your husband must have been such a hard working man to have accumulated all this property.”

“PROPERTY!?!?” Sarah explodes, “The bugger had a paper round!”

Special Interest Vehicle Registration (SIV) ~ 'Concessional' or 'Club Rego'

To qualify for 'Concessional' or 'Club Rego' registration, new members must attend four (4) Club-sanctioned activities or Club meetings within the first six (6) months of membership. Thereafter new and present members holding concessional registration must attend four (4) Club-sanctioned activities or Club meetings each year in order to retain the concessional registration. Failure to comply may result in a recommendation to the Department of Transport and Main Roads for forfeiture of the registration.

Some facts for Special Vehicle Registration:

Registering your vehicle under the Special Interest Vehicle Registration Concession Scheme:

Historic Vehicles

You will need to follow the standard registration procedures for a vehicle as well as completing a Vehicle Registration Concession Application (form F3937) and providing the following documents as proof of eligibility:

Club Membership: Evidence of current membership with an incorporated vehicle club or association must be provided at the time of application for the concession.

Historic Vehicle and Dating Certificate: A dating officer (or club official) of an incorporated vehicle club or association must inspect the vehicle to certify the vehicle's authenticity and year of manufacture, that is, no structural modifications have been made that would deem it as manufactured at the date it was modified. This certificate must be on club letterhead or other official club documentation and include the chassis number or vehicle identification number.

Vehicles fitted with a modification plate, code LH10 are not eligible for a special interest vehicle concession.

Vehicles registered under the scheme have certain limitations placed on their use. This is reflected in the reduced fees and compulsory third party insurance premium. Registered operators must confine their vehicle's use to:

- Participating in rallies organised by incorporated vehicle clubs.
- Participating in processions for which a Special Events Permit has been issued under the Transport Operations (Road Use Management –Accreditation and Other Provisions) Regulation 2005.
- Exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes.
- Ceremonial purposes (weddings, formals) involving immediate family members provided this is not done for fee or reward. Immediate family means parents, grandparents, sons, daughters, grandchildren but not extended family relationships such as nephews and nieces.
- Preparing for, proceeding to, and returning from the above activities.
- Direct travel to and from an Approved Inspection Station (AIS) for the purposes of obtaining a safety certificate before offering the vehicle for sale.
- Travel in order to have the vehicle repaired. There is no distance restriction in these circumstances however, such travel must be reasonable and justifiable by the vehicle operator.
- Road testing within a 15 kilometre radius from the place where the vehicle is garaged. The purpose of the travel must be to road test the vehicle following repair or restoration and not for any other purpose. This does not include use as a means of transport.

Failure to comply with the conditions of the special interest vehicle scheme is an offence and serious consequences may result.

Please refer to the Department of Transport and Main Roads for SIV Policy and Procedures.
