8. General Business

- a. Show N Shine and Swap Meet. Cathy Kuhrt gave an update. Event almost finalised with fine-tuning. Considerable work involved in putting event together. Volunteers needed to man showground gates (three per gate per shift) and at the Morayfield Shopping Centre Display. Bob and Narelle Farmer volunteered to remain overnight (Friday 20th June) to supervise site holders. Site working-bee Friday 20th June commencing 3:00pm. Volunteers needed. Members requested to be at the event by 4:30am (Saturday 21st June) and enter via Gate 10.
- b. Purchase of Items. Cathy requested that four 'passout' stamps of good quality be purchased as well as batteries for torches. Moved Cathy Kuhrt and seconded James Lock that these purchases be made. Carried.
- c. Club Room and Facilities. Now owned by the Queensland State Equestrian Centre (QSEC). CRCC to continue to use facility rent-free for 12 months. CRCC Container to remain on-site. QSEC keen to have a CRCC event held on the site in the future.
- d. Club Room Chairs. Cathy suggested that CRCC approach QSEC to determine if it's their aim to furnish the facility as this would save CRCC from buying chairs. In addition, Cathy recommended that CRCC approach the AFL club to discuss ownership of the chairs which were removed by them as CRCC had contributed to the original purchase of these chairs. Kevin Lewis suggested that CRCC purchase 50 chairs. Meanwhile, members are asked to bring their own chairs to future meetings until the issue is resolved.
For Action: Secretary.
- e. Membership. Lance Haslewood said that the Club had 143 members; 127 financial and 16 life members. Eight members had renewed for 2014/2015. Renewals due 30 June and must be accompanied by a completed membership renewal form. Membership cards may be collected at the monthly meeting.

9. Runs.
- a. 4th May Observation Run. Narelle Farmer said that the attendance for the observation run was bitterly disappointing with just a few cars attending. Narelle said that she had put a considerable amount of time and effort into organising the event. Narelle added that confusion also existed in that both BP North and South were advertised as departure points. In view of the small numbers attending, the run was changed to cruise to the Pitstop Café at Ocean View followed by a cruise to Mount Mee and then Woodford for lunch.
 - b. 25th May ~ Woongooroo Estate. Meet BP North at 8:00am for a 8:30am departure. Payment will be accepted on the day of the run and will be collected at the rendezvous point; BP North, Caboolture, before the run commences. Sorry, payment cannot be accepted at the venue. \$36.50 per head.
 - c. 21st June ~ CRCC Show N Shine and Swap Meet. 4:30 am for club members. See web site or newsletter for event details.
10. Meeting Closure. There being no further business, the President declared the meeting closed at 8:50pm.
11. Next General Meeting. The next General Meeting will be held on Wednesday 4th June 2014, commencing at 7:30pm.

Special Interest Vehicle Registration (SIV) ~ 'Concessional' or 'Club Rego'

To qualify for 'Concessional' or 'Club Rego' registration, new members must attend four (4) Club-sanctioned activities or Club meetings within the first six (6) months of membership. Thereafter new and present members holding concessional registration must attend four (4) Club-sanctioned activities or Club meetings each year in order to retain the concessional registration. Failure to comply may result in a recommendation to the Department of Transport and Main Roads for forfeiture of the registration.

Some facts for Special Vehicle Registration:

Registering your vehicle under the Special Interest Vehicle Registration Concession Scheme:

Historic Vehicles

You will need to follow the standard registration procedures for a vehicle as well as completing a Vehicle Registration Concession Application (form F3937) and providing the following documents as proof of eligibility:

Club Membership: Evidence of current membership with an incorporated vehicle club or association must be provided at the time of application for the concession.

Historic Vehicle and Dating Certificate: A dating officer (or club official) of an incorporated vehicle club or association must inspect the vehicle to certify the vehicle's authenticity and year of manufacture, that is, no structural modifications have been made that would deem it as manufactured at the date it was modified. This certificate must be on club letterhead or other official club documentation and include the chassis number or vehicle identification number.

Vehicles fitted with a modification plate, code LH10 are not eligible for a special interest vehicle concession.

Vehicles registered under the scheme have certain limitations placed on their use. This is reflected in the reduced fees and compulsory third party insurance premium. Registered operators must confine their vehicle's use to:

- Participating in rallies organised by incorporated vehicle clubs.
- Participating in processions for which a Special Events Permit has been issued under the Transport Operations (Road Use Management –Accreditation and Other Provisions) Regulation 2005.
- Exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes.
- Ceremonial purposes (weddings, formals) involving immediate family members provided this is not done for fee or reward. Immediate family means parents, grandparents, sons, daughters, grandchildren but not extended family relationships such as nephews and nieces.
- Preparing for, proceeding to, and returning from the above activities.
- Direct travel to and from an Approved Inspection Station (AIS) for the purposes of obtaining a safety certificate before offering the vehicle for sale.
- Travel in order to have the vehicle repaired. There is no distance restriction in these circumstances however, such travel must be reasonable and justifiable by the vehicle operator.
- Road testing within a 15 kilometre radius from the place where the vehicle is garaged. The purpose of the travel must be to road test the vehicle following repair or restoration and not for any other purpose. This does not include use as a means of transport.

Failure to comply with the conditions of the special interest vehicle scheme is an offence and serious consequences may result.

Please refer to the Department of Transport and Main Roads for SIV Policy and Procedures.
