Welcome to June 2014 Newsletter.

Just a reminder that membership fees are due on 30th June at \$20.00 per single member and \$30.00 per couple. All renewals must be accompanied by a fully completed membership application. Payment to be made either by cheque or money order and sent to 'Membership, CRCC, PO Box 1668, CABOOLTURE. Q 4510'. Alternatively, membership payments may also be made at meetings and/or runs where cash will be accepted. I have attached a revised membership application form for inclusion in the newsletter.

CRCC Swap meet will be on 21 Jun 14. Cathy has asked for a few more members to assist with the entry points during the day. Please contact Cathy directly if you are able to assist, it will be greatly appreciated. Also everyone at CRCC would like to send their best wishes to Cathy and hope she recovers well with her recent ill health. Get well soon Cathy.

Also, get your thinking caps on for this year's CRCC Christmas event. A few ideas have been aired at this month's meeting and it had been requested that ideas will need to be brought to the July meeting as we need to lock something in for the CRCC Christmas event very soon so we don't miss out.

Joke for the month.....

A duck walks into a bar and asks the bartender for corn.

The bartender says "We have no corn, get out of here."

So the duck leaves.

The next day he comes back and asks for corn again, and the bartender says "I told you, we don't have any corn! Get out!"

So the duck leaves.

The next day he goes in again and asks for corn, and the bartender says, "For the last time, we don't have corn! If you ever come back, I'm going to nail those webbed feet of yours to the floor!"

So the duck leaves.

The next day the duck comes and asks, "Do you have any nails?"

The bartender says, "No, of course not. Why would a bar have nails?"

The duck then says, "Good. Can I have some corn?"

Special Interest Vehicle Registration (SIV) ~ 'Concessional' or 'Club Rego'

To qualify for 'Concessional' or 'Club Rego' registration, new members must attend four (4) Club-sanctioned activities or Club meetings within the first six (6) months of membership. Thereafter new and present members holding concessional registration must attend four (4) Club-sanctioned activities or Club meetings each year in order to retain the concessional registration. Failure to comply may result in a recommendation to the Department of Transport and Main Roads for forfeiture of the registration.

Some facts for Special Vehicle Registration:

Registering your vehicle under the Special Interest Vehicle Registration Concession Scheme:

Historic Vehicles

You will need to follow the standard registration procedures for a vehicle as well as completing a Vehicle Registration Concession Application (form F3937) and providing the following documents as proof of eligibility:

Club Membership: Evidence of current membership with an incorporated vehicle club or association must be provided at the time of application for the concession.

Historic Vehicle and Dating Certificate: A dating officer (or club official) of an incorporated vehicle club or association must inspect the vehicle to certify the vehicle's authenticity and year of manufacture, that is, no structural modifications have been made that would deem it as manufactured at the date it was modified. This certificate must be on club letterhead or other official club documentation and include the chassis number or vehicle identification number.

Vehicles fitted with a modification plate, code LH10 are not eligible for a special interest vehicle concession.

Vehicles registered under the scheme have certain limitations placed on their use. This is reflected in the reduced fees and compulsory third party insurance premium. Registered operators must confine their vehicle's use to:

- Participating in rallies organised by incorporated vehicle clubs.
- Participating in processions for which a Special Events Permit has been issued under the Transport Operations (Road Use Management –Accreditation and Other Provisions) Regulation 2005.
- Exhibiting the vehicle in displays, fetes or similar functions conducted for religious, charitable or educational purposes.
- Ceremonial purposes (weddings, formals) involving immediate family members provided this is not done for fee or reward. Immediate family means parents, grandparents, sons, daughters, grandchildren but not extended family relationships such as nephews and nieces.
- Preparing for, proceeding to, and returning from the above activities.
- Direct travel to and from an Approved Inspection Station (AIS) for the purposes of obtaining a safety certificate before offering the vehicle for sale.
- Travel in order to have the vehicle repaired. There is no distance restriction in these circumstances however, such travel must be reasonable and justifiable by the vehicle operator.
- Road testing within a 15 kilometre radius from the place where the vehicle is garaged. The purpose of the travel must be to road test the vehicle following repair or restoration and not for any other purpose. This does not include use as a means of transport.

Failure to comply with the conditions of the special interest vehicle scheme is an offence and serious consequences may result.

Please refer to the Department of Transport and Main Roads for SIV Policy and Procedures.
