Lakeside Brekky and Happy Laps, ~ 16th May

The Lakeside Brekky and Happy Laps is always a popular event, and even more so when organised by the Club's very own enthusiastic and super-keen Dennis 'Peter Brock' Seidel. 58 people and 31 cars converged on Lakeside for the ubiquitous 'Delhi-belly' breakfast followed by 30 minutes-or-so of thunderous track time. Gracious and most generous Lakeside officials rewarded the Club by giving members an extra five minutes of track time due to good behaviour on the circuit. Well done members and very commendable.

There were a few hidden surprises amongst the entrants such as the white Ge-Mini which went a bit faster than some had expected. Then there was the black '56 Customline which few were unable to shake-off Oh, and not to mention the gold Kingswood which looked quite at home hurtling around the spectacular circuit amongst the odd Jag, Mustang, Falcon, Corvette, Monaro, VW, and of course, the 'When You're Hot You're Hot' Toranas. But, where was Kevvy and his white Torana? Not like Kevin to miss such an event. And where was the 'Dashing DeLorean'? It could very-well be at Lakeside next time, but with a special request that it be given a lap start!

The many pictures taken by Ian Ward, Grant Abbott, Lisa Spencer and Lance H tell the story so please go to the Club's Facebook Group or to the web site and have a squiz.

Thanks to Dennis for organising this event. There are Lakesides' to come. Check the run calendar for details.

Matthew Thomas Restaurant Breakfast Run, Sandgate ~ 31st May.

Quite a good turnout for the breakfast run to Sandgate. Members met at BP South for a 7:30am departure, and after Vince gave the run brief, a steady line of cars departed and headed-off down the highway towards Sandgate. It was quite an impressive sight which invited plenty of picture-taking by passing motorists. Arriving at Sandgate presented a bit of a challenge as there were bicycle riders (flak) by the score to dodge and to negotiate. Although parking was not a problem, cars were scattered along the road. Murray Izard, Grant Abbott and prospective member, Cory Hingley, arrived not long after the main group, found a park, and then joined-in.

The restaurant was pretty-well packed, however service was reasonably swift considering the numbers, including other patrons, must have been close to 70. In all, a great run with plenty of smiling faces before and after. It was all over by about 9:30am after which people headed-off in their own chosen directions.

Ulysses Vally Rally, Kilcoy ~ 23rd May

Back in March, the Glasshouse Ulysses Branch requested that CRCC cars attend it's annual Valley Rally to be held at the Kilcoy Showgrounds and to partake in a motorcycle/car show and shine. From memory, nine members took-up the offer and attended the rally and gathered at BP north for the run to Kilcoy.

The Valley Rally is a big event for the Ulysses Club and it attracts members from various Ulysses Branches around south east Queensland as well as from interstate. CRCC members mingled about the event chatting to Ulyssians and eyeing-off the many motorcycles, trikes and campers. The Ulysses Club also has a large RV component which, by all accounts, would have come close to out-numbering the motorcycles.

The Ulysses Club was formed approximately 30 years ago and was initially for motorcyclists of 50 years of age or older. The age limit was later reduced to 40 years as it was considered (colloquially) that the 'younger' members were necessary to assist the older members onto their motorcycles. During the first 20 years or so, the Ulysses Club comprised mostly motorcycles, but as many of the Club's early members are now 'Growing Old Disgracefully' and can no longer straddle a trusty steel steed, they have opted to move across to caravans, motorhomes and campers.

The show and shine was a low-key event with Ulysses members asked to select a 'People's Choice' award. The lucky winners were Carl Talboys with his 1982 Bugatti replica and non-member, Dan Hick, with his 1967 SS Chev Impala coupe. Nothing more to report other than it being great cruise, however on the way home David, Lisa, Kevin and Lance stopped at the Dag Pub for some light refreshments. Apart from Carl, I have no idea where the others went following the event! Lance. (*Ulyssian Mem No #6866*).

Perry Irwin Memorial Bridge Opening ~ Caboolture ~ 24th May.

Moreton Bay Regional Council contacted Club President, Devin Pearce, and requested the possibility of a few Club member's cars be made available to partake in a procession to mark the opening of the Perry Irwin Memorial Bridge. The bridge, named in honour of slain local police sergeant, Perry Irwin, is on Brown Street (off Petticrew and Pumicestone Roads) and spans Lagoon Creek.

Sergeant Irwin was sadly was shot dead on 22nd August 2003 in the area of where the bridge now stands, while responding to a call of a reported gunman being in the area. The naming of the bridge in Perry's honour is fitting memorial for such a fine person doing his job for the community. As well as being in the procession, the cars were used to carry signatories such as the Irwin family and the Police Commissioner.

Those members who kindly provided their cars were Cathy and Dave Kuhrt, Tim Howe, Brant King and Laurie Facey. Laurie carried the Irwin family while Brandt carried the Police Commissioner. Many thanks to Dave, Cathy, Tim, Brandt and Laurie for finding the time to assist with this worthwhile community event.

Cyril's Joke of the Month One day a lady goes to her priest and tell him, "Father, I have a problem. I have two femal parrots, but they say only one thing."

"What do they say?", the priest asks.

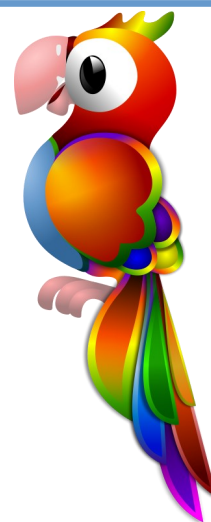

"They say, 'Hi, we're hookers! Do you want some fun?'"

"That's obscene!" the priest exclaims. "But you know, I may have a solution to your problem. I have two male talking parrots, Francis and Peter, whom I have taught to pray and to read the Bible. Bring your two parrots over to my house and I'll place them in the cage with Francis and Peter. They can teach your parrots to pray and read the worship."

"Thank you," the woman responds. "This may very-well be the solution."

The next day as the priest ushers the woman into his house with the two female parrots, she sees that his two male parrots are inside their cage holding rosary beads and praying. Impressed, she walks over and places her parrots in the cage with them.

Instantly the females squawk in unison, "Hi we.re hookers! Do you want to have some fun?" There is stunned silence, then one male parrot looks over to the other and says, "Put the beads away, Francis, our prayers have been answered!"
