Rick's Garage and Diner, 17 July 2015 The run to Rick's Garage (Diner) was organised by Naosha Chalvatzis, and despite the somewhat chilly weather was reasonably supported by Club members with 11 attending. Everybody gathered for departure at the BP North at 5:45pm before motoring up the Bruce Highway towards Palmwoods, the home of Rick's Diner. Members enjoyed a great evening atmosphere with an abundance of food and a band entertaining in a 'Rock-a-billy' scene. Thank you, Naosha, for organising the run.

When she asked me why, I replied,

"Well, you still haven't used the gift I bought you last year!"

CRCC assisting the community

President, Devin Pearce, on behalf of the Club, presented cheques to the SES, Global Care Wamuaran, and Lighthouse Care. The presentations were made at the August General Meeting.

The SES has been monumental over past years by assisting CRCC with traffic management and other duties at the Club's annual Show, Shine and Swap event. The Club is extremely grateful and thankful for the service provided by SES.

Mal Frahm is seen accepting the cheque on behalf of the SES.

Guest speakers at the meeting included Mark Ryan MP who congratulated CRCC for donating funds to assist local charities and people in need. It was a pleasure to have Mark at the meeting.

Rev Robin Holland from the Uniting Church also addressed the meeting and spoke of people wanting rescue packages who have been referred to the Church from the local school Chaplains. He added that a decision is made fortnightly as to where and to whom the rescue packages are distributed. In one situation there is a family of 18 living in the one house and desperately in need of support. Rev Holland said that about 470 rescue packages are distributed monthly.

As a further input to this; in this day-and-age, I find it difficult to believe that children are actually turning-up at school without having breakfast. Why? For various reasons including alcoholism or drug dependency by parents, and as such, are unable to support their children's basic needs.

Many schools are now providing breakfast several days a week for these children. This service is carried-out by community volunteers who willingly give their time in support of this worthwhile service.

Bowdens Run, 20 Sept 2015 For those who have not attended Bowdens, it's definitely a worthwhile visit. Unlike most museums where you wander about at your leisure and pace, host, Dan Bowden, puts-on a very informative, and sometimes humourous commentary, as he describes each individual car and its place in Australian racing history.

Bowden's story begins with a love affair, its starting of collecting historic Australian racing cars from back in 1973, when David Bowden bought the first car for the collection – the notorious Ford GTHO Phase IV. Since then, the Bowden family have dedicated their blood, sweat and tears to restoring and maintaining these vital pieces of Australian motor racing history. The car collection has grown to over 70 cars that are housed mostly located on Bowdens Sunshine Coast property, as well as a few museums and showrooms throughout Australia. Let's support Bowdens and the Caboolture Regional Car club by attending this run on Sunday 20th September. Meet BP South at 7:00am for a 7:00am departure. \$30.00 PP.

NSW All Holden Day, 02 August 2015

In late July, I travelled to Sydney to stay with long-time mate, and Torana owner, Bob Bynes. Bob owns two Toranas, a rare 1974 Barbados Green L34 and a 1975 LH 4.2 SL/R. One of the other reasons for travelling to Sydney was to attend the NSW All Holden Day which is held at Clarendon (opposite RAAF Base Richmond) on the first Sunday of August. The NSW AHD is a very popular event which usually attracts close to a thousand Holdens of all models and types.

A regular to the NSW AHD are CRCC members Karen and Des Fiedler, who this year, drove their newly-restored 1963 Blue EH Holden Wagon to the event. They came away with two trophies; Lions Club Sponsors Choice and the Longest Distance Travelled. For Karen and Des, it was a 960km each-way journey which makes the trophy well worth the effort. On behalf of CRCC, well-done Karen and Des.

Having lived in NSW for some years, I attempted to attend the NSW AHD yearly which I did as a member of the Sydney Torana Club. One of the things I like about the NSW AHD is the professionalism at which the event is staged as well as its location. In addition, the contents of the goodies bag is certainly great value for money for it includes, amongst other items, a good-quality polo shirt, embossed coffee mug and lapel pin. All this for \$45.00 which includes entry.

But like any car show event, there is always some conjecture about how the judges come-up with the winners when clearly some cars should have received trophies over others. Judging is never easy particularly when there are close to a thousand cars to scrutineer.

Perhaps one of the down-sides to the event is that the size of the venue is limited and therefore restricts the number of entrants, so it is important to get the entry form in early. Once the entry form is received, the entrant will promptly receive in a mail an information package including entry authority, windscreen sticker and other relevant information.

Can we see some CRCC members making the trek to the NSW All Holden Day next year?

I will upload pics of the NSW AHD to the CRCC web site shortly. Lance.
