The Perfect Club for the Car Enthusiast

Wheels By The Water, 11 Oct 15.... It was a big turn out for this event. Over ten car clubs shared the lawn outside the Sandstone Point Hotel. Beautiful day with lots of beautiful vehicles to look at. A few of our club members also won trophies Congratulations to Laurie with his XB GT - 'Best Sedan' and Ross 'Runner-Up, Best Two-Door Celica' with his '81 Celica.

Hazeldean Weekend 02-05 October.... The event kicked-off on Tuesday 29 September when Ray Bland, Ian Hall and Lance delivered a trailer-load of wood to Hazeldean. Although school holidays were on, the centre's new principal, Andrew Travis, as well as the groundsman, Rodney, were there who gave a cordial welcome. It was most unexpected and appreciated that Andrew assisted with the unloading of the wood. A nice and relaxing long weekend with 27 overnights; some arriving on the Friday (02 October) with the remainder arriving the following day. In addition, eight, day visitors called-by to say hello and to have morning tea. Activities included (apart from relaxing), playing cards with Kevin giving instruction on how to play the game of 31, while others explored the complex with some kayaking and netting blue-claw yabbies.

Saturday night was rather quiet with some members enjoying camp-oven dinners which were prepared in the fire pit. Sunday night, on the other hand, was NFL grand final night, so most were huddled around a TV set to watch the big game.

Monday came around and it time to pack-up and head-off. With the venue cleaned and in inspection order, the last person departed SREEC at around midday. Thanks to all who made the weekend the success that it was. Ideas needed for a 2016 camping weekend needed.

Cyril's Joke of the Month A man wakes-up in Alaska to find a bear on his roof. So he looks in the Yellow Pages and finds an ad for 'Bear Removers'. The bear remover says he'll be over in 30 minutes.

He arrives with a ladder, baseball bat, shotgun and a mean old pitt bull. "What are you going to do?" the homeowner asks.

"I'm going to put this ladder up against the roof, then I'm going to go up there and knock the bear from the roof with this baseball bat. After the bear falls-off, the pitt bull is trained to grab his testicles and not let go. This will subdue the bear enough to allow me to put the bear in the cage in the back of my truck.

He hands the shotgun to the homeowner. "What's the shotgun for?" asks the home owner.

"If the bear knocks me off the roof, shoot the dog!"

Toranafest, Maitland, 20 September 2015.... Four members took-on the challenge of attending Toranafest this year; Claire Strickfuss, Grant Abbott, Murray Izard and Lance Haslewood. Grant and Lance are also members of the Queensland Torana Car Club (QTCC), and it was with this club that all grouped together for the journey to Heatherbrae which is located in the area of Raymond Terrace.

It was an early start on Friday 18th September in order to rendezvous at Nudgee at 2:00am. Time for a quick coffee before the two-hour run down to Chinderah to meet-up with members of QTCC. More coffee, then at 4:30am, the group departed for Halfway Creek, which was a scheduled fuel and pit stop. Enroute to Halfway Creek, the weather was far from pleasing with rain so dense, that driving conditions seemed somewhat hazardous.

On time, the next fuel and pit stop was at the highway exit to Port Macquarie, then to Heatherbrae arriving at around 2:30pm.

Saturday, 19 Sep. A lull day set aside to clean the cars and to mill about. Lance snuck-off in the morning for a drive to Wollombi with the express purpose of stocking-up on Dr Jurd's Jungle Juice. It was about a 170k round trip in unfavourable weather, so the car was again a mess.

In the afternoon, a cruise was organised by the Hunter Valley Torana Club (HVTC) to Morpeth which attracted around 160 Toranas. A sight to behold seeing so many Toranas in a convoy that people were lining the streets of all the towns the group passed through. Some were unhappy for they were held-up at intersections and give-ways for quite some time while cars passed.

Sunday, 20 Sep. Toranafest, Maitland. Not to report Just another car show. About 380 Toranas of all types. Rained on-and-off for most of the day, but this provided a challenge to stay dry. Very few complaints. Great turn-out. Next year in Canberra?

Monday, 21 Sep. Up early and off to Bathurst via Jerrys Plains, Denman, Mudgee, (Pg 9)

Run suggestions will be considered

Do you have a run destination in mind? Perhaps an over-nighter somewhere or to a place within reasonable distance which the Club has not visited before. Then please pass your ideas onto the run coordinators, Vince for consideration.

Rylstone and Sofala. No mucking around, straight to Mount Panorama for some laps and happy snaps. The police must have had wind of our visit for just as we arrived at the circuit, four Evel Knievels' and a highway patrol car joined us. Bugger!

Following a lap or two, a surprise for Claire when Lance handed-over the pilot's seat of his 5000 to her and said, "Go for it, Claire!". For the first time throughout the entire trip, Claire was completely lost for words. Silence at last!

Most of the afternoon was spent at Mount Panorama, followed by a short visit to the National Motor Racing Museum, then to the accommodation (which was something out of Herman Munster) to settle-in. Dinner at the Bathurst Panther's League Club, then settled-in for the night.
