# FROM THE PRESIDENT

DENNIS SEIDEL

G'day my fellow car enthusiast's 🏎️

With our Annual General Meeting (AGM) fast approaching on September 5 and all committee positions available as always I thought I better make it common knowledge I will not be standing again for the position of President.

Time now for a quick timeline of my years with our club.

Well it all started when I signed up as a regular club member in the early part of 2009. I was first voted in as President in 2009 at the AGM and stayed on till the AGM of 2014 when I decided after 5 years it was time for me to stand down and see someone new come in with new ideas and enthusiasm. During this break from committee duties I was given Life Membership which was so unexpected but such an honour. I was simply blown away.

As many of you will remember the club had some internal trouble soon after and a little turmoil. I was asked by some club members if I would come back which I agreed to. A new committee was formed and was voted in earlier than normal, during the March meeting of 2016.

I have had a great time as President and love running our monthly meetings as well. Thankyou to all of you for the opportunity and support. Also a big thankyou to all the committee members I have had the pleasure of working with over the years. So many different people and characters. Their tireless efforts often not known by all but very appreciated by me. I get the cool part of being on the committee.

I have loved meeting so many people, making many new friends and even writing this page that no one reads in the Newsletter.

One of the great things about our club is the help fellow club members are willing to dish out. I am very thankful to those who have personally helped me out.

So with a few major changes in my life over the last couple of years its time for me to step away from the committee as soon I will possibly not be a local anymore either.

Thankyou heaps to those who have supported my love of Lakeside Raceway and attended the events I have organised at the Historical Venue.

I wish the club, all the members and the next committee all the best in the future. I'm looking forward to staying on as a member and attending meetings and events still whenever possible.

Thanks for having me!

Cars, bringing people together 🏁  
Dennis

# FROM THE EDITOR

*David Spencer*

**Hi Guys**

**Hope you all have had a great month but you own and drive great cars so of course you have.**

**So still no photos of your cars sent to me for inclusion in the newsletter. Here is another photo of The Corvette taken at Dennis's favourite place Lakeside. Doesn't it look fast. Haha. Well at least it looks shiny.**

**I will use photos of club runs that have been put up on Facebook unless the poster wishes me not to. Please let me know if I cant use your photos. I will try to credit the photos to the poster when I use them.**

**If you would like to see different things included then please email me your suggestions and I will try to add them where I can.**

**My email address is [editor@crcc.com.au](mailto:editor@crcc.com.au)**

## RUN ETIQUETTE

To ensure that their vehicle has adequate fuel to reach the destination or the next planned fuel stop. Refuelling the vehicle should be done before refuelling oneself! Run departures will not be delayed for those vehicles needing last-minute fuel particularly if there has been an ample opportunity to fill-up before the run departs.

Urged to be on time for the commencement of the run and/or event. Should a member be running late and wishes to commence the run with the group, he/she should contact the run coordinator. Similarly if members wish to join en-route.

Urged to keep together wherever possible, particularly in built-up areas. This will minimise the necessity of continually stopping to regroup which can be hazardous. It is realised that keeping together in built-up areas can be difficult, but often those caught at traffic lights will catch-up to those in front as they themselves are slowed by lights.

Not permitted to overtake the designated run leader. However participants may move about within the group, overtaking when safe and legal.

Encouraged to remain with the group until the agreed dispersal point at the end of the event. This also applies to static events such as car shows.

Encouraged to carry a small portable UHF CB radio and set to Channel 9. Such radios are relatively inexpensive, and have ranges varying from around one to five kilometres. They are invaluable and a medium by which to keep informed about what is going on, and to let the group know if you have become separated or broken-down.
