FROM THE PRESIDENT

Vince Blanchard

Hello to life members and members.

C.R.C.C. has reached a mile stone, 25 years as a club. At the March meeting the club celebrated 25 years. We were honoured to have three of our founding members present. Mr John Fenech [001], Mr Darryl Norris [002] and Mrs Kris Mazok [005].

John spoke about our humble beginnings . The club was a break away from another club, & was originally a Holden Club. Early club runs were mentioned and where the club meeting where held. The early club art-work was Darryl's handy work. I believe we still use some of his design work to this day. Of course no birthday is complete without a cake. Thanks John Hogg. This large cake was cut by John, Darryl & Kris with everyone getting a piece, a cloth patch and badge. Thanks Lance Haslewood.

Photos on the night include the above mentioned and life members who where there on the night. One particular life member drove from the Gold Coast to help us celebrate. It was great to catch up with Dennis Seidel. A very big Thankyou to our Founding , Life and members for helping celebrate C.R.C.C. 25 years young.

To those having Birthdays may you have a great day & see many more.

Please Note- Swap Show & Shine is coming.... If you are able to help please contact Cathy, David, Kevin and or Carl. Have a great month & Drive Carefully.

Vince

FROM THE EDITOR

David Spencer

Hi Guys

What a great month. The club turned 25 years old and is going strong with 254 current members.

I remember when I joined the club around 4 years ago soon after I bought my dream Corvette. Getting to know the diversity of club cars and the club members with their knowledge and interests is a treasure that isn't that common these days. The club runs over the years have shown me different areas to take my corvette, and Lisa, and I feel gratitude to being able to share this corner of this wonderful country of ours with such like minded friends. Now lets see that we make sure that this great club continues for the next 25 years so that our new friends that haven't joined the club yet get to experience this as well.

This is the first photo of my Corvette that I saw. It was in the add and is what drew me to her. Other photos in the add where shot in a car park with black tyre marks all over the concrete. It looked like the owners had a bit of fun with her before taking the photos for the add.

I will use photos and comments of club runs that have been put up on Facebook unless the poster wishes me not to. Please let me know if I cant use your photos or comments. I will try to credit the photos to the poster when I use them.

If you would like to see different things included then please email me your suggestions and I will try to add them where I can.

My email address is editor@crcc.com.au

CRCC 10 Pin Bowling and Lunch.

Had a ball this morning at Caboolture bowls, we only had 21 people turn up but it was a fun morning and a great lunch. Thanks Caboolture Bowls, we will do another one later in the year.

'Go Nuts With Salubrious'

It was a great turn out and I am sure the organisers were pleased as well. It will be interesting to see just how much they made for the Endeavour foundation. We had 18 cars and 26 people turn up. The weather was a bit warm but at least it wasn't raining like last year. Heaps of people, cars, motorcycles and aircraft. Tea, coffee and muffins kindly provided by Ray.

RUN ETIQUETTE

To ensure that their vehicle has adequate fuel to reach the destination or the next planned fuel stop. Refuelling the vehicle should be done before refuelling oneself! Run departures will not be delayed for those vehicles needing last-minute fuel particularly if there has been an ample opportunity to fill-up before the run departs.

Urged to be on time for the commencement of the run and/or event. Should a member be running late and wishes to commence the run with the group, he/she should contact the run coordinator. Similarly if members wish to join en-route.

Urged to keep together wherever possible, particularly in built-up areas. This will minimise the necessity of continually stopping to regroup which can be hazardous. It is realised that keeping together in built-up areas can be difficult, but often those caught at traffic lights will catch-up to those in front as they themselves are slowed by lights.

Not permitted to overtake the designated run leader. However participants may move about within the group, overtaking when safe and legal.

Encouraged to remain with the group until the agreed dispersal point at the end of the event. This also applies to static events such as car shows.

Encouraged to carry a small portable UHF CB radio and set to Channel 9. Such radios are relatively inexpensive, and have ranges varying from around one to five kilometres. They are invaluable and a medium by which to keep informed about what is going on, and to let the group know if you have become separated or broken-down.
