FROM THE PRESIDENT

Hello to Life Members and Members.

This month has been a sad one, some of our members have lost loved ones. In this sad and emotional time our hearts and thoughts are with you. Please know friends are a phone call away.

My beautiful wife (she may read this) and I, when on the vibe market run, (great weather) got to catch-up and have a chat with some members I haven't seen for ages. A big thank you to Vibe Markets Coffee and Cake on arrival. All in all wonderful day and no jewellery store in sight. Thanks Ray.

As a committee member we try and do our best. Some times this is not easy. We do make mistakes. Please note any member is welcome at the committee meetings.

If any members are able to HELP – OUT at the Show, Shine and Swap Meet, please talk to Cathy, Dave, Kevin and Carl. They would love to hear from you.

To those who are having birthdays, I hope you have a great

Birthday. Thanks

Vince

Plant Trees Please

To bring back healthy weather & rainfall

so we can enjoy healthy outdoor activities

To protect our homes, & animals & Us...

To Save Our Planet & Our Future

P.T.O.

TREES for our LIFE

*This Planet is "Our" Home!
Our Planet Cannot Live Without Trees
Less than 1% remain in most developed areas!*

DID YOU KNOW - Trees Control...

- Rainfall
- Air Quality
- Weather Patterns
- Even the Temperature

And, with the now crazy high and low temperatures each year becoming more and more extreme? An increase in damaging storms and winds and longer-lasting droughts, what does our future hold?

If each home owner just planted a few healthy trees each, in the coming years, we would notice a:

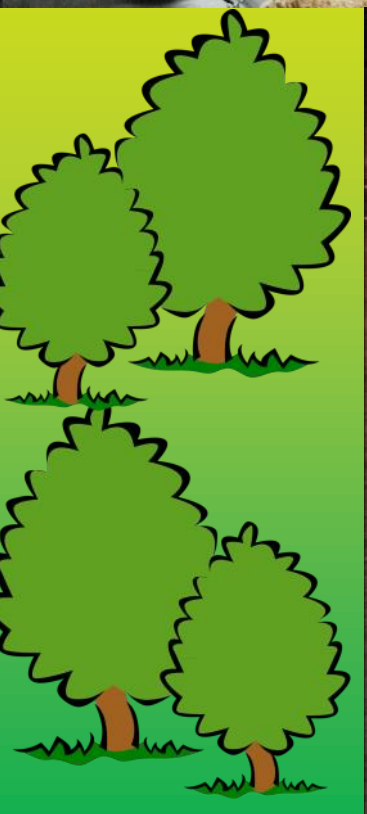

- reduction in extreme storms and weather events (e.g. Cyclones, tornadoes)
- an increase in rainfall and therefore shorter drought periods
- an increase in air quality
- a rebalancing of our climate and temperatures

So together we can protect our future.

Our website is full of videos, tips & pics to help encourage fast and healthy growth!

RUN ETIQUETTE

To ensure that their vehicle has adequate fuel to reach the destination or the next planned fuel stop. Refuelling the vehicle should be done before refuelling oneself! Run departures will not be delayed for those vehicles needing last-minute fuel particularly if there has been an ample opportunity to fill-up before the run departs.

Urged to be on time for the commencement of the run and/or event. Should a member be running late and wishes to commence the run with the group, he/she should contact the run coordinator. Similarly if members wish to join en-route.

Urged to keep together wherever possible, particularly in built-up areas. This will minimise the necessity of continually stopping to regroup which can be hazardous. It is realised that keeping together in built-up areas can be difficult, but often those caught at traffic lights will catch-up to those in front as they themselves are slowed by lights.

Not permitted to overtake the designated run leader. However participants may move about within the group, overtaking when safe and legal.

Encouraged to remain with the group until the agreed dispersal point at the end of the event. This also applies to static events such as car shows.

Encouraged to carry a small portable UHF CB radio and set to Channel 9. Such radios are relatively inexpensive, and have ranges varying from around one to five kilometres. They are invaluable and a medium by which to keep informed about what is going on, and to let the group know if you have become separated or broken-down.

13. Run Coordinator's Report –

- 3rd March, we had the bowling at 207 Morayfield road Caboolture, reported on last month.
- 23rd March SALUBRIOUS at Archer Falls Air Strip, great turn out, we had 18 vehicles and 26 members there. Although the weather was a change to last year's down pour, we needed every bit of shade we could muster, it turned out to be a very hot day. From what I was told the organisation started to run out of alcohol and food at about 11am. It was the biggest turn out they have ever had.
- Dee Farmer won the \$50 voucher that was linked to the sign on book. And congratulations to Paul Beerens for winning the best old school trophy, and to Chris Anderson for best ute.
- 30th March Movie night at Dave and Cathy's, we had all the trimmings, hotdogs, fairy-floss, popcorn, slushies, coffee, tea and cake as well. I would personally like to thank Cathy, Dave, Kris, Steve and their families for all their hard work in setting it up and running the night, well done. We had 41 people sign the book on the night but I think it was more like about 61 people that turned up for a night of great entertainment and a chance to see just some of Dave and Cathy's cars.
- 28th April Bribie Island Vibe Market. Join in on this fun event of Elvis Parsley and other entertainment. There will be a complimentary cuppa and cake for members. Meet at BP North at 8am for an 8:30am start
- 19th May Lunch time BBQ Toorbul Beach. (Sausages, onions, sauces, bread etc. supplied) Meet at BP North at 10am for a 1030 departure. As this is a catered event, I will require numbers by the 14th May.
- Check our website, and Face book for all regular and organised runs.

14. Swap Meet Coordinator.

Cathy advised she is still in need of more volunteers for the Swap. Anyone who could give an hour on a gate or help pack up at the end of the day. Volunteers are also required for Fridays working bee, security overnight, and handing out the flyers. Please lets all get behind the clubs Swap and make it great.

15. Show and Shine Coordinator - Kevin advised everything is on track and all organised.

16. Dating Officer - Rob Blake advised nil to report this month.

17. Webmaster/Membership - Lance advised we have 254 members.

18. Newsletter Editor - David Spenser advised the latest newsletter was available this past week and now up on the website.

19. Property Officer - Tim Howe advised nothing to report .

20. QHMC – Meeting held on March 28th.

Trevor Beutel, President of QHMC, presented an information session of the recent changes to SIV. For an impromptu event, members just need to advise the clubs Facebook page of their intention of taking their car out. Once it is posted, it is approved (Trevor advised taking a screen shot of the post, if needed when there is no reception). There is no limit of the number of events a member can attend, this can be a weekend or five days or more away, but must not be used as a daily driver to work etc. Insurance is okay if it is on social media. Must be SIV Not to be used of Weddings, formals etc other than for Direct family. Members are also advised not to use the word ‘RALLY’ in the Facebook post. Members can check out the QHMC website for any further information.

John Hogg thanked Trevor for his very informative talk.

QHMC has 2 events coming up. National motoring rally at Ipswich May 19th, a very good day out, and Autorama 3rd to 5th May - more information in the newsletter.
