Welcome to NEW Members

Remember - Memberships are due on 30th June.

Current club membership is 254 members as at 31/03/2019.

Best wishes for speedy recoveries to all club members that are feeling under the weather this past month.

FROM THE PRESIDENT

Vince Blanchard

A big Hi to life members and members. We all seem to drive older cars and these cars need warming up. I'm very much like my car with these cold mornings. I need warming up too. Well Winter is definitely here, and with that coming is State of Origin. June meeting will start at 7pm not 7:30pm, so we may all be able watch the big match.

This last month has seen some members lose loved ones. We are all thinking of you at this time. Please don't forget family and friends are there for you.

The Blackbutt Run on Sunday 2nd June, was for me fantastic. A nice long run with plenty of cars and members. Not to mention a curried pie to die for. Dessert was an equally good apple turn over. There goes my boyish figure. Thanks Ray Bland for a Great Run.

This club, like so many, runs on volunteers. People who give there time and effort for the club. This committee has put in time and effort so all members of CRCC have a club to be proud of. I would like to thank every committee member for a great job.

THANK YOU ALL.

Go Queensland.

Vince

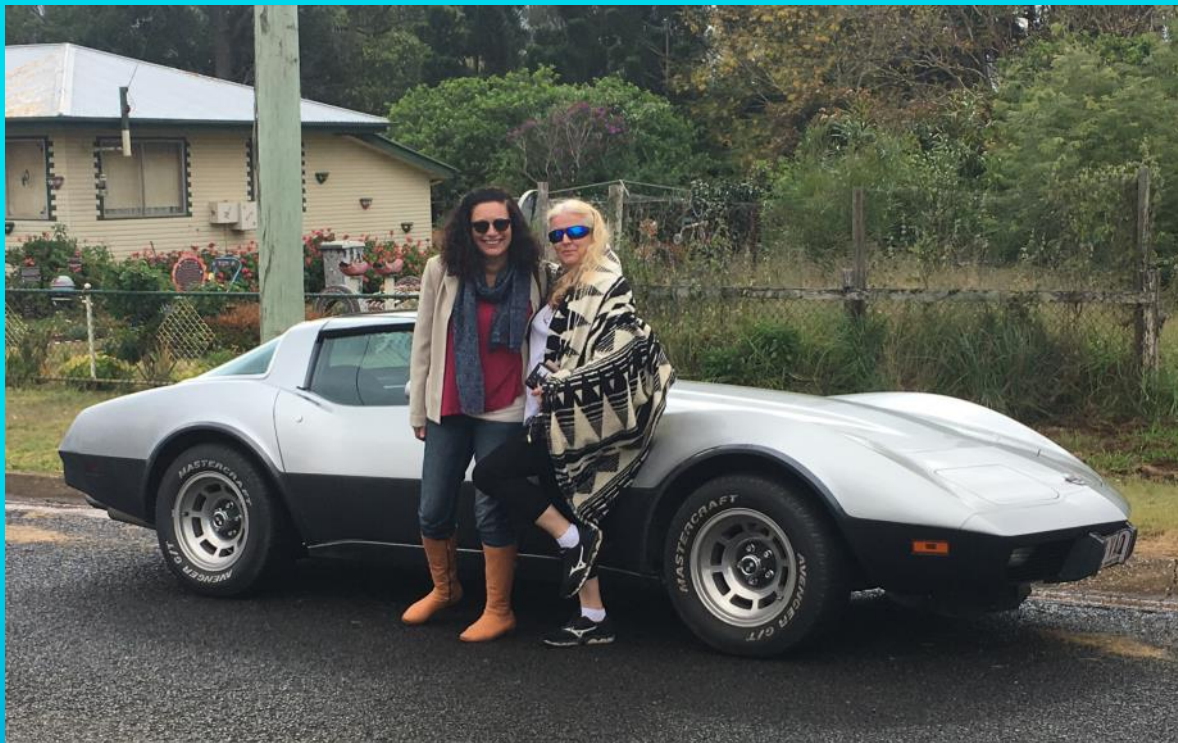

FROM THE EDITOR

David Spencer

Hi Guys

Well its finally happened. The repairs on our house, after the fire, have finally been completed. It took just over 6 months and we have now moved back home.

I would like to thank our fearless President Vince for the work he has done on tiling our bathroom. It looks fantastic. I would also like to give a big thanks to Kevin Lewis who came to my rescue when the corvette broke down near Repco Morayfield. He not only sourced a new battery locally for me but also lent me his tools to replace it and get me going again.

I will use photos and comments of club runs that have been put up on Facebook unless the poster wishes me not to. Please let me know if I cant use your photos or comments. I will try to credit the photos to the poster when I use them.

If you would like to see different things included then please email me your suggestions and I will try to add them where I can.

My email address is editor@crcc.com.au

RUN ETIQUETTE

To ensure that their vehicle has adequate fuel to reach the destination or the next planned fuel stop. Refuelling the vehicle should be done before refuelling oneself! Run departures will not be delayed for those vehicles needing last-minute fuel particularly if there has been an ample opportunity to fill-up before the run departs.

Urged to be on time for the commencement of the run and/or event. Should a member be running late and wishes to commence the run with the group, he/she should contact the run coordinator. Similarly if members wish to join en-route.

Urged to keep together wherever possible, particularly in built-up areas. This will minimise the necessity of continually stopping to regroup which can be hazardous. It is realised that keeping together in built-up areas can be difficult, but often those caught at traffic lights will catch-up to those in front as they themselves are slowed by lights.

Not permitted to overtake the designated run leader. However participants may move about within the group, overtaking when safe and legal.

Encouraged to remain with the group until the agreed dispersal point at the end of the event. This also applies to static events such as car shows.

Encouraged to carry a small portable UHF CB radio and set to Channel 9. Such radios are relatively inexpensive, and have ranges varying from around one to five kilometres. They are invaluable and a medium by which to keep informed about what is going on, and to let the group know if you have become separated or broken-down.
