FROM THE PRESIDENT

Vince Blanchard

Hello to Life members and Members,

What a big month. State of Origin and of course our annual Swap, Show and Shine.

A Friday arvo start for campers and the serious swappers. Come Saturday a 4:30am start. A bloody cold start I might add. Flashing red lights and headlights; cars , trucks & trailers all parking. Some folk just couldn't wait and were using flashlights while people were still unpacking. This was one of the Biggest Swap, Show and Shine's I have seen so far since I have been a member. A Heart felt Thankyou to Kathy, Dave, Jason and the two absentees Kevin and Carl.

To all who volunteered & helped out a Big Thankyou. Nice sunny weather, just a beautiful day. Some stunning cars bikes and utes to behold.

If I have read right it looks like 2023 may see the last of the Chevy Camaro. I really hope this is not the case. It would be very sad to see this iconic vehicle come to an end.

Friendly reminder memberships can be renewed. Birthday wishes to all those having birthdays this month.

Please drive carefully.

Vince

FROM THE EDITOR

Hi Guys

It looks like we have had a successful fundraising event this year with our annual CRCC Swap & Show n Shine. A big thank you to all the organisers and the volunteers that helped on the day, the days before and the months beforehand.

Clubs like ours rely on volunteers to help run the events and the continued management of the club. As such we are in need of some volunteers to take up committee positions. Currently we have vacancies for the Membership Officer, Run Co-ordinator, Website Manager and a few other positions shown on page 19. Please have a think and see if you can help your club and fill in some of these vacancies.

On a lighter note. Here is a pic of this beautiful car I saw at our Show n Shine. Have a guess what it is. Haha.

I will use photos and comments of club runs that have been put up on Facebook unless the poster wishes me not to. Please let me know if I cant use your photos or comments. I will try to credit the photos to the poster when I use them.

If you would like to see different things included then please email me your suggestions and I will try to add them where I can.

My email address is editor@crcc.com.au

Charitable Donations by CRCC

CRCC are in need of suggestions for worthwhile organisations to make donations twice yearly.

Nomination forms are available from the Secretary at our CRCC monthly meetings.

Please help us to donate your money to worthwhile organisations by providing us with your suggestions.

Proposed By-Law changes

1. The Committee moved to change the by-law regarding 'Amendments' to the by-laws to remove the word 'may' and replace it with 'must' in By-Law 3.2. This change will be advertised in the next Newsletter and voted on at the next General Meeting.

By-Law 3.2

Original version

*A By-Law **may** be amended or set aside by a majority vote of members at a General Meeting of The Association.*

To be changed to

*A By-Law **must** be amended or set aside by a majority vote of members at a General Meeting of The Association.*

2. Ron Constable moved that all donations to charitable causes be vetted by the Club Committee and recommendations be brought back to the General Meeting for decisions on amounts to be awarded and to whom and then put to a vote of a General Meeting for approval. Seconded John Fenech. Motion carried in the affirmative. This to be advised in the next newsletter and voted on at the July meeting.

Message from Cathy

Another Swap Meet and Show & Shine done and dusted for another year; great work everyone. The Swap area was full to capacity and the Show and Shine arena only had a few spaces left. This was one of our most successful events for many years.

To all the members who helped throughout Friday, Saturday and at the Shopping centre ; a big thank-you . Without your support we would not have had such a great day. Mother nature turned on a beautiful sunny day for us and the swappers , Show & Shine entrants and public showed their support by coming again, to our event .

Thanks to Kevin & Carl for organizing the Show & Shine ; and big thank you to Ray and his team for making sure all went well on Saturday in the absence of Kevin and Carl. Great work to you all. To Jason also a big thanks for your assistance for the Swap , we appreciate your hard work.

Once again , Many Thanks to all. David & Cathy

RUN ETIQUETTE

To ensure that their vehicle has adequate fuel to reach the destination or the next planned fuel stop. Refuelling the vehicle should be done before refuelling oneself! Run departures will not be delayed for those vehicles needing last-minute fuel particularly if there has been an ample opportunity to fill-up before the run departs.

Urged to be on time for the commencement of the run and/or event. Should a member be running late and wishes to commence the run with the group, he/she should contact the run coordinator. Similarly if members wish to join en-route.

Urged to keep together wherever possible, particularly in built-up areas. This will minimise the necessity of continually stopping to regroup which can be hazardous. It is realised that keeping together in built-up areas can be difficult, but often those caught at traffic lights will catch-up to those in front as they themselves are slowed by lights.

Not permitted to overtake the designated run leader. However participants may move about within the group, overtaking when safe and legal.

Encouraged to remain with the group until the agreed dispersal point at the end of the event. This also applies to static events such as car shows.

Encouraged to carry a small portable UHF CB radio and set to Channel 9. Such radios are relatively inexpensive, and have ranges varying from around one to five kilometres. They are invaluable and a medium by which to keep informed about what is going on, and to let the group know if you have become separated or broken-down.

The run to Blackbutt turned out great, just a little rain that stopped us from getting together at Moore. We had 19 vehicles with 37 people, a very good turnout for a not so good-looking day. Thanks to the local Constabulary, ticket number 42 was drawn out of the pot, Peter Hopcraft was the lucky winner of the \$50 voucher.
