Welcome to NEW Members

Memberships are overdue. If you have not renewed your membership then you will be removed from the membership list, the Facebook group and most importantly you will cease to get this Newsletter emailed to you. You don't want that to happen so renew your membership now.

Best wishes for speedy recoveries to all club members that are unwell, injured or feeling under the weather this past month.

FROM THE PRESIDENT

Vince Blanchard

Hello to Life members and Members,

Well there are a lot of sad Ford Mustang owners this month.

July 2, 2019 Lido Anthony Iacocca past away. Most of the world knew him as "Lee" the grandfather of the Ford Mustang.

After being sacked from Ford in 1978 Lee Iacocca went to Chrysler and bought them back from bankruptcy to one of the top Four car manufactures in the US. Chrysler and Iacocca introduced the Mini Van which became an overnight success.

Another success is the Chevy Corvette, and guess what ? IT'S COMING TO AUSTRALIA! Factory right hand drive and the price tag in AUD is \$150,000 to \$170,000 if you believe what you read.

A big thank you to Rod Constable for his August 3rd run.

To all members our AGM is coming up in September if you would like to be part of the committee we would love to have fresh faces and idea's.

Thanking you.

Vince

FROM THE EDITOR

David Spencer

Hi Guys

Its been great to see club members putting up run events on Facebook. Thanks Vince and Rod Constable for your runs to Mooloolah Valley Sports Club and Woodford Village Hotel and Lance for the Regis Canning Aged Care run on fathers day. These run events have been greatly appreciated by the club members while we don't have a run co-ordinator. Hopefully we will get a new run co-ordinator at the September AGM.

Before that however there are a multitude of events happening in our region that are advertised on Facebook. I have copied a few of the events into the newsletter a few pages on. One of the events last month was the Annual Corvette Classic held at Pelican Park. A few club members attended and saw some wondrous machines.

Here is a pic of this beautiful C1 Corvette. I noted it was for sale. I wasn't game to ask for the price.

I will use photos and comments of club runs that have been put up on Facebook unless the poster wishes me not to. Please let me know if I cant use your photos or comments. I will try to credit the photos to the poster when I use them.

If you would like to see different things included then please email me your suggestions and I will try to add them where I can.

My email address is editor@crcc.com.au

RUN ETIQUETTE

To ensure that their vehicle has adequate fuel to reach the destination or the next planned fuel stop. Refuelling the vehicle should be done before refuelling oneself! Run departures will not be delayed for those vehicles needing last-minute fuel particularly if there has been an ample opportunity to fill-up before the run departs.

Urged to be on time for the commencement of the run and/or event. Should a member be running late and wishes to commence the run with the group, he/she should contact the run coordinator. Similarly if members wish to join en-route.

Urged to keep together wherever possible, particularly in built-up areas. This will minimise the necessity of continually stopping to regroup which can be hazardous. It is realised that keeping together in built-up areas can be difficult, but often those caught at traffic lights will catch-up to those in front as they themselves are slowed by lights.

Not permitted to overtake the designated run leader. However participants may move about within the group, overtaking when safe and legal.

Encouraged to remain with the group until the agreed dispersal point at the end of the event. This also applies to static events such as car shows.

Encouraged to carry a small portable UHF CB radio and set to Channel 9. Such radios are relatively inexpensive, and have ranges varying from around one to five kilometres. They are invaluable and a medium by which to keep informed about what is going on, and to let the group know if you have become separated or broken-down.
