FROM THE PRESIDENT

Vince Blanchard

Hi to all members and life members. Bathurst and the Gold Coast 600 have come and gone but not without some controversy. I think this could be the next reality T.V. show????

A Big Thankyou to the new committee members for sticking their hands up and thankyou to Michele Anderson for taking on the Show & Shine. No I have not forgotten you Hayley Anderson. Thankyou too. We are still looking for Swap Meet coordinator, but I feel we will fill this position at the next monthly meeting!!!

Please don't forget our Xmas Party. Money due next meeting. Sue & Richard are our coordinators. Xmas Party at Caboolture Sports Club [Centenary Lakes Venue].

Ray's Run 17th November to Cabarita Jet Boats. Meet BP south 5:30am for 6:00am Depart. Please see Ray for more details.

I came across an article on a barn find. Possible large bloody barn, 135 cars mostly British & French. Has early Dodge & Ford T Bucket.

Just like to point out Mustang won Bathurst???

Have a great month.
Drive safe .

Vince

FROM THE EDITOR

David Spencer

Hi Guys

I hope you all have had a great month. Here is some more info on the new C8 mid engine Corvette. Did you know that there is enough storage space in the boot above the gearbox to fit the removable roof and 2 sets of golf clubs? There is also space in the front to fit a travel bag that fits aircraft carry on luggage. However this may not be the case for the C8 Corvette Z06 (imaged below). New leaks have come out and shown this will, in fact, be getting a flat-plane crank with a twin-turbo setup while producing 800hp instead of the supercharged v8 in the standard model.

Can you see the resemblance to my car in the image above. How things change...

I will use photos and comments of club runs that have been put up on Facebook unless the poster wishes me not to. Please let me know if I cant use your photos or comments. I will try to credit the photos to the poster when I use them.

If you would like to see different things included then please email me your suggestions and I will try to add them where I can.

RUN ETIQUETTE

To ensure that their vehicle has adequate fuel to reach the destination or the next planned fuel stop. Refuelling the vehicle should be done before refuelling oneself! Run departures will not be delayed for those vehicles needing last-minute fuel particularly if there has been an ample opportunity to fill-up before the run departs.

Urged to be on time for the commencement of the run and/or event. Should a member be running late and wishes to commence the run with the group, he/she should contact the run coordinator. Similarly if members wish to join en-route.

Urged to keep together wherever possible, particularly in built-up areas. This will minimise the necessity of continually stopping to regroup which can be hazardous. It is realised that keeping together in built-up areas can be difficult, but often those caught at traffic lights will catch-up to those in front as they themselves are slowed by lights.

Not permitted to overtake the designated run leader. However participants may move about within the group, overtaking when safe and legal.

Encouraged to remain with the group until the agreed dispersal point at the end of the event. This also applies to static events such as car shows.

Encouraged to carry a small portable UHF CB radio and set to Channel 9. Such radios are relatively inexpensive, and have ranges varying from around one to five kilometres. They are invaluable and a medium by which to keep informed about what is going on, and to let the group know if you have become separated or broken-down.
