Welcome to NEW Members

CRCC welcomes new member:

#485 Donna Read, Burpengary East, 1964 White Ford Galaxie.

#486A, Darren Read, Burpengary East.

#487 Gary Pride, Bongaree, 1987 Red Chevrolet Corvette C4.

Best wishes for speedy recoveries to all club members that are unwell, injured or feeling under the weather this past month.

FROM THE PRESIDENT

Lance Suthers

NEW YEAR, NEW MILLENIUM, NEW PRESIDENT

“Hello All” It’s time to remove the car covers, do all the under bonnet checks, kick the tyres, fuel up and enjoy being part of a very special family friendly car club.

My name is Lance Suthers, I’m humbled and honoured to take up the position as Caboolture Regional Car Club President. I would like to say thank you to those that believe I can lead this club along with the committee into 2020.

I own a couple of 1951 FX Holdens, 1971 XY Falcon sedan and the latest edition a Winnebago motor home that I like to call Granddads Sandman.

I am a motor mechanic by trade and have been a member of this club for over 20 years. During this time both Debbie and I have worked on the committee and enjoyed every moment.

We have made many lifelong friendships through this club and met some very colourful, dedicated and talented people along the way. Team effort has seen success many times over the years at the Brisbane Hot Rod Shows, our yearly Swap Meets and some very memorable car runs and club functions. Just to name a few.

So lets buckle up, put the sunnies on, start the engine, hit the road and once again start sharing plenty of smiles to the mile as we travel through another year of Car Club activities.

Lance

FROM THE EDITOR

David Spencer

Hi Guys

I hope you all have had a great couple of months and have been refreshed and renewed for the new year.

We have started this years club runs with a few different events on Australia Day. Unfortunately my Corvette let me down with a burst radiator hose on my way to Scarborough. Not too big an issue as I had a spare hose at home but it does highlight the necessity for regular checking and maintenance on our pride and joys. My repairs also led me to also find that one of my thermal fans wasn't working. (Just a fuse.) So please find the time in our busy schedules to check your tyre age, tread and pressure, water, oil and washer fluid levels, wiper blades and fan belts as a minimum. Otherwise you could be stranded and need rescuing like me and we don't want that to happen while on our club runs during this year.

Oh! I almost forgot. Here is a Corvette photo with a working radiator hose.

I will use photos and comments of club runs that have been put up on Facebook unless the poster wishes me not to. Please let me know if I cant use your photos or comments. I will try to credit the photos to the poster when I use them.

If you would like to see different things included then please email me your suggestions and I will try to add them where I can.

CRCC Christmas Party at Caboolture Sports Club

Many thanks to all who came along to our Car Club Christmas Party. Unfortunately we couldn't be there because of family commitments.

From all accounts, it was a great day, with good food & drinks and with lots of fun and laughter.

Congratulations to Gary Yeo who won the very nice cash prize in the Santa raffle. Congratulations also to the lucky door prize winners.

Our sincere thanks to all who helped on the day, in our absence.

Thanks to Cathy Kurht & Debbie Suthers who looked after the raffle, and the lucky door prizes.

Many thanks to Peter Newman & John Hogg for being a great Santa and his helper.

We have already set the date for this years' Christmas Party, so please lock in your diaries.

It will be held on Sunday the 13th of December 2020, with the venue to be advised later.

Richard & Sue Droughton

WHAT'S NEXT

Feb 2020 - Mar 2020

Sun 8th March ~ BBQ at Toorbul

Lunch time BBQ Toorbul Beach. (Sausages, onions, sauces, bread etc supplied) Meet at BP North at 10am for a 1030 departure. As this is a catered event, I will require numbers by the 4th March.

Please bring your own chairs as seating is limited.

If rain is forecasted for Sunday at Toorbul on Thursday the 5th March it will be cancelled. I will still let everyone know via this site as a reminder.

Sun 29th March ~ Lunch at Old Fernvale Bakery

Meet BP South at 9:30am for a 10:00am departure for Old Fernvale Bakery. The route will be via Narangba, Dayboro, Samford, Mt Glorious and finishing at Fernvale. This lovely drive through D'aguilar State Forest (listen for the Bell Birds) is about 115 km and will take around 2 hours each way but the bakery at the end is worth it.

Please provide numbers in Facebook so that I can warn the bakery that we are coming.

Please indicate your attendance by visiting the events section on the Club's Facebook page or by contacting Ray on 0417 063 350 or run.coordinator@crcc.com.au

Unless otherwise stated, the run departure points are Caboolture BP South or BP North depending on direction of the run.

RUN ETIQUETTE

To ensure that their vehicle has adequate fuel to reach the destination or the next planned fuel stop. Refuelling the vehicle should be done before refuelling oneself! Run departures will not be delayed for those vehicles needing last-minute fuel particularly if there has been an ample opportunity to fill-up before the run departs.

Urged to be on time for the commencement of the run and/or event. Should a member be running late and wishes to commence the run with the group, he/she should contact the run coordinator. Similarly if members wish to join en-route.

Urged to keep together wherever possible, particularly in built-up areas. This will minimise the necessity of continually stopping to regroup which can be hazardous. It is realised that keeping together in built-up areas can be difficult, but often those caught at traffic lights will catch-up to those in front as they themselves are slowed by lights.

Not permitted to overtake the designated run leader. However participants may move about within the group, overtaking when safe and legal.

Encouraged to remain with the group until the agreed dispersal point at the end of the event. This also applies to static events such as car shows.

Encouraged to carry a small portable UHF CB radio and set to Channel 9. Such radios are relatively inexpensive, and have ranges varying from around one to five kilometres. They are invaluable and a medium by which to keep informed about what is going on, and to let the group know if you have become separated or broken-down.

Agenda item 1 Introduction and welcome Nigel Ellis – TMR

Nigel Ellis welcomed MOCC members to the October 2019 meeting and welcomed back Rod Greydon from the Queensland Historic Motoring Council. Apologies from Bailey Rowe (Historical Motor Cycle Club of Queensland), Jason Plant (Caravanning Queensland) and Shane Rose (Four Wheel Drive Queensland Association) were noted.

Agenda item 2 Previous meeting summary Nigel Ellis – TMR

Minutes of the last meeting held on 19 March 2019 were agreed to be a true and accurate record of the meeting.

Nigel Ellis read through the summary of actions from the previous meeting.

Agenda item 3 Impromptu Events – SIV Registration Concession Scheme Daniel Kaden – TMR

Daniel Kaden spoke to the group about the 'draft' changes to the Impromptu Events area of the SIV Registration Concession Scheme.

Following the March 2019 MOCC meeting, TMR received a range of enquiries from community car clubs/councils and a CTP insurer requesting further guidance and clarity about how impromptu events operate. The parties who contacted TMR held concerns that the SIV guide needed to be tighter and more precise, so everyone is clear what is and what is not an impromptu event.

Consequently, TMR drafted some further 'draft' amendments to the SIV guide to provide additional clarity, while reinforcing the central role that car clubs play in the operations of the SIV scheme. These amendments were discussed in detail with MOCC members at the meeting, with the following amendments to the SIV guide being decided on:

Conditions and Restrictions

A special interest vehicle must not be used for:

- *General purposes – for example, to commute to and from the registered operator's place of employment, running down to the shops, and other forms of everyday vehicle use.*
- *For hire or reward – a fee cannot be charged for the use of the vehicle, and the owner cannot receive any consideration or reward for supplying the vehicle.*

You and anyone driving your special interest vehicle must only use the vehicle for:

- *Participating in rallies or events, including impromptu events organised by an incorporated vehicle club or events sanctioned by the Australia Street Rod Federation (ASRF).*
 - *A rally is a social event where a parade of special interest vehicles travel together for competition or to meet at an agreed location. Rallies and events must be listed in the incorporated club newsletter or on the incorporated club's website or social media page (or in another manner approved by the club or ASRF, such as the club calendar of events) prior to the event.*
 - *An impromptu event is an event that has been initiated by a club member, involves one or more vehicles and must comply with the following elements;*
 - ✓ *Involves an invitation to wider club members to attend the event; and*
 - ✓ *Is either:*
 - *endorsed in advance of the event by the relevant club or ASRF committee; or,*
 - *where it exists, complies with published club guidelines as to what is a valid event; and*

- ✓ *Is listed either in the newsletter, on the website, or social media page (or in another manner approved by the club or ASRF, such as the club calendar of events) prior to the event.*

NOTE: Incorporated vehicle clubs should maintain a register of endorsed impromptu events. This register should contain information on the impromptu event.

ACTION: TMR to update draft guide and disseminate to group for final comments.

ACTION: TMR to publish amendments to SIV guide after group has had opportunity to provide final comments.

Agenda item 4 **Special Interest Vehicle Guide** **Jess Nicholas (TMR)**

Jess Nicholas spoke to the group about several suggestions from John Greene to improve the SIV guide. These changes include:

- Separate the 'Conditions and Restrictions' page into sections by giving buses, heavy vehicles and lighting their own heading and page number;
- Add new section on seat belt requirements;
- Add new section to provide information on Ride Share / Hire / Reward requirements; and
- Add new section for FAQs to address common questions about the scheme.

As there were no objections from the group, Jess Nicholas confirmed that TMR will seek to incorporate these changes to the SIV guide.

ACTION: TMR to incorporate above changed and disseminate draft to group prior to publishing changes.

Agenda item 5 **Vehicle Modifications and Towing Upgrades** **Scott Notley (TMR)**

Scott Notley spoke to the group about the requirements for certification of Gross Vehicle Mass (GVM) upgrades to light vehicles (less than 4.5 tonne GVM) using Second Stage of Manufacture (SSM) arrangements.

The Australian Government Department of Infrastructure, Transport, Cities and Regional Development (the Commonwealth) administers the *Motor Vehicle Standards Act 1989* (the Act), which requires new road vehicles to comply with national standards known as the Australian Design Rules (ADRs). There are no ADRs that require the Gross Combined Mass (GCM) of a light vehicle to be certified by testing or evidence provided by a manufacturer. Therefore, the Commonwealth does not assess, endorse or approve any purported change to a light vehicle's GCM specification by a second-stage manufacturer (SSM) holder. State or Territory laws may prescribe requirements relating to changes to a vehicle's GCM rating.

The Queensland Code of Practice and in particular the LS11 code sets the requirements for modifications to in-service vehicles. The rules currently allow a GCM increase in accordance with an SSM and have not changed in recent times. However, the effect of the Commonwealth advice confirming that no SSM approvals have been or will be issued with a GCM increase is that no in-service vehicles can be modified to include a GCM increase.

Scott confirmed that Queensland was consistent with the Commonwealth Government and a couple of smaller states in this regard. However, TMR was aware of the interest in and the need for an option to increase GCM and was continuing to work with other jurisdictions and industry, including the Australian Automotive Aftermarket Association, exploring options for the development and introduction of a new Code specifically managing GCM and braked towing mass increase.

For further information, Scott provided the following factsheets to be disseminated to group members.

- GVM upgrades to light vehicles using Second Stage of Manufacture (issued by the Department of Infrastructure, Transport, Cities and Regional Development)
- Circular 0-4-6 – Certification of vehicles which have undergone a second-stage-of-manufacture (issued by the Administration of Vehicle Standards)

ACTION: TMR to disseminate factsheets to the MOCC members.

Agenda item 6 General Business

Nigel Ellis - TMR

Historic membership and dating certificate requirements

Rod Graydon questioned if TMR requires car clubs and associations to include the club/association's incorporation number on dating certificates?

Jess Nicholas confirmed that TMR does not require clubs and associations to include their incorporation number on dating certificates.

Headlights on imported vehicles

John Greene raised concern that imported vehicle are being registered without a change to the dip in the headlights as imported vehicle no longer require the L01 or L02 modification.

Scott Hall confirmed that the requirement for headlights to 'dip to the left' to avoid dazzling oncoming traffic is covered as part of the vehicle inspection for a Safety Certificate.

Historic/Vintage Caravans

Jason Plant questioned if historic or vintage caravans were included in the SIV scheme, and if not asked if the scheme could be amended to include historic or vintage caravans.

Jess Nicholas confirmed that historic or vintage caravans were included in the SIV scheme, provided the vehicle is at least 30 years old and the use of the vehicle is restricted as per the 'conditions and restrictions' outline in the SIV guide.

Terms of Reference

Recent amendments to the Terms of Reference, which were disseminated in draft form to MOCC members following the March meeting, were discussed with the group and finalised.

ACTION: TMR to publish updated Terms of Reference.

Date of next meeting

TBA

The next meeting will take place in approximately March 2020.

Membership Renewal

Membership renewal is due on 30th June. Payment (\$30.00) is to accompany a fully-completed membership renewal form to reach the club no later than 30th June. Forms are available from the website or from the membership officer.

Similarly, life members are also required to complete a membership renewal form which is to be received no later than 30th June.

Members are urged to read Section 12 of the By-Laws which details membership renewal requirements. Here's excerpt ...

Membership

Life Membership

To remain an 'active' Life Member of The Association, the Life Member is to return to the Membership Officer a fully completed membership renewal form by 30th June each year.

Membership Fee

The membership fees shall be such a sum as the members shall so determine at any General Meeting. Until otherwise determined shall be:

Ordinary Membership, \$30.00 per annum.

Associate Membership, \$10.00 per annum.

Life Membership, Honorary.

Each new member upon joining shall purchase a Club shirt.

No membership fee is payable by Life Members.

Membership Renewal

To retain active/financial membership of The Association, each member must return to the Membership Officer, a fully completed membership renewal form by 30th June each year.

A membership will be automatically terminated if a membership renewal form is not submitted or membership fees are in arrears for two (2) months following the renewal date.

Facebook:

The club's Facebook Group is a closed group, ie., members only. To remain a member of the Facebook Group, membership renewal payments must be received by 30th June.
