Happy New Year to everyone and I trust you all had an enjoyable Christmas and a smooth, headache-free transition into 2024. As it has been some considerable time since the club's last newsletter, I thought one to coincide with the new year would be fitting.

December was a big month with two major events, namely, the combined GM and AGM, and the Christmas function. The latter was held on the 10th of December at the Donnybook Sports and Community Club where staff provided a superb buffet lunch complimented with Christmas decorations, confectionary and table ornaments. Small Christmas cakes, generously made by Olive, and individually wrapped, were given to everyone present. Ray, Anne, Debbie, Norm, Olive, Donna, Willy, Cathy and Peter did an excellent job in getting things organised such as with table decorations, Santa draw, Secret Santa, door prizes, and handing-out prizes etc. Very much a team effort. The lucky winner of the Santa draw was Cheryl Wicks who took home a healthy sum of money. I know I have missed some, however, many thanks to all of those additional people who helped, in one form or another. It was a superb event, at a great venue, at a great location and with great company.

Some members may be unaware that the Christmas function door prizes were funded from the profit of the monthly general meeting meat tray raffles. Credit, therefore, must go to those members who attended the meetings and who purchased raffle tickets. Monthly meetings are a great social get together where supper is provided. In addition, there is a lucky members' draw comprising a \$50.00 gift card, however, the winning member must be present to collect, otherwise the amount accumulates by \$50.00 for the draw at the next general meeting, and so on. The members' lucky draw is one of the many ways the club supports its members.

Whilst there is no general meeting in January, an event to put into your calendar for January is the Club's Australia Day gathering which will be held at Godwin Beach. As this is a catered event, attendees **MUST** advise the Vice President (Ray (0417 063 350)) no later than Friday the 17th of January. Please bring a chair, drinks, a small sweet, sun protection, and, of course, your classic. Wear your Australiana clobber, too. Godwin Beach has a spacious, grassed, shaded foreshore with amenities, gas BBQ, undercover seating (limited) and a safe children's play area.

This year marks the 30th anniversary of the Club's formation, and to celebrate this milestone, an anniversary lunch is planned for Saturday 9th of March to be held at the Donnybook Sports and Community Club. Details will be provided in early February.

Lastly, an overview of the status of the club which is healthy both in numbers (210) and finances. There is a dedicated committee working above and beyond to ensure the best outcomes for everybody. It can do only so much. Greater membership participation would be nice and the committee does as much as it can to encourage this. The committee, at times, goes out of its way to assist those joining the club, and in particular, those requiring SIV (concessional) registration. Remember, it is your club, so please support it. It is, by far, the perfect club for the car enthusiast.

NOTICE

ANNUAL GENERAL MEETING

**The club's AGM,
has been moved
from December
to September.**

Impromptu Runs

Impromptu runs, introduced in 2019 by the Department of Transport, is, without doubt, a great addition to the Special Interest Vehicle Registration Scheme (SIVS), for it adds greater flexibility to an already flexible system. It allows for the owners of SIV-registered vehicles broader scope with which to drive their vehicles outside of programmed club runs and events. Best of all, the Department of Transport allows the administration of impromptu runs to the individual clubs to manage but with some specific guidelines. These are:

- Involves an invitation to wider club members to attend.
- Is endorsed in advance of the event by the relevant club committee.
- Complies with published club guidelines as to what is a valid event.
- Is listed, prior to the event, on the Club's Impromptu Runs Facebook Group.

Club guidelines and details to be provided:

- Provide a minimum notice of one (1) hour of the intended run.
- Departure point.
- Departure time.
- Route.
- Destination.
- Vehicle registration number.
- Name of run leader if not the person posting the run.

Those members not on Facebook, may have another member post the information on their behalf or text the details to the Run Coordinator.

For further information, refer to Paragraph 14 of the By-Laws or the policy statement on the Impromptu Runs Facebook Group at: <https://www.facebook.com/groups/755334021553461/>

About the Club

The Caboolture Regional Car Club is a family-oriented, non-profit club which was formed on 9th March 1994 with the focus of bringing together people with an interest in Holden cars and to enjoy and display their passion in a social and relaxed and family atmosphere.

Formerly known as the Caboolture Regional Holden Car Club, the name was later changed to the Caboolture Regional Car Club, thus enabling entry of vehicles of all types, models and ages irrespective of whether they be in the restoration stage, show, performance or a daily commute.

Members of the Club mostly reside in the Caboolture or adjoining districts, although there are members from wider afield. They comprise of all age groups with diverse vocations, interests, backgrounds and experience.

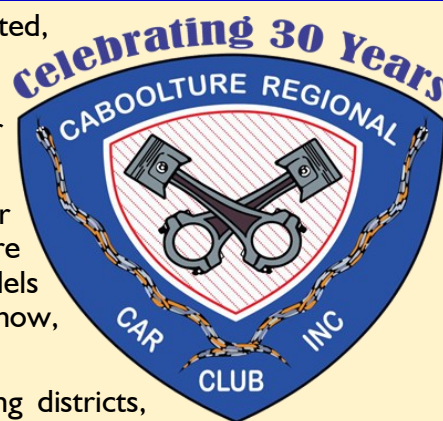

Monthly Meetings

Monthly meetings are held on the first Wednesday of each month (except January) at Stanmore Hall, Caboolture Historical Village, Beerburrum Road, Caboolture, commencing at 7:30pm. Not been there before? Look for the Club sign on the fence in front of the hall which is adjacent to the Beerburrum Road car park.

Runs and Events

Designated runs are generally held each month including a mid-week run, however, there are other optional runs for members to attend if they so wish or are unable to make it to the designated run.

Please refer to the Club website events calendar for designated and/or optional runs. Those members holding SIV registration may wish to opt for the 'Impromptu Run' system, details of which are outlined on the preceding page of this newsletter or available on the website (www.crcc.com.au).
